Overpayment for Maintenance of Betsy Johnson.

AUDIT OFFICE, OTTAWA, March 11, 1903.

SIR,—Ontario and Quebec cheque No. 14, issued in August last, is for a payment of $53 to Flora Currie, for allowance for maintenance of Betsy Johnson, of the Oka Band, from October 3, 1901 , to August 1, 1902, 43 weeks at $1 per week, and for wood for the winter, amounting to $10. Cheque No. 267, issued in November last, is for a payment of $11 to Mrs. Louis Laforce, for maintenance of Betsy Johnson for 11 weeks, viz., from October 11 to November 1, 1901, and from September 9 to November 4, 1902.

It will be seen from this that both Flora Currie and Mrs. Laforce have been paid for the maintenance of this Indian woman for the three weeks between October 11 and November 1, 1901. Kindly obtain a refund of this overpayment of $3.

I would also point out that the voucher in support of the payment of $53 to Flora Currie is not certified in accordance with section 33 of the Audit Act, but it is only approved by J. D. McLean as acting Deputy Minister. Kindly furnish me with a properly certified voucher.

I am, sir, your obedient servant,

The Deputy Superintendent General of Indian Affairs. J. L. McDOUGALL, *A.G.*

Property, when purchased, should be valuated by an Independent Valuator.

AUDIT OFFICE, OTTAWA, February 20, 1903.

SIR,—Indian Consolidated Fund cheque No. 3, 1902-3 is for a payment of $2,000 to Jessie Jane Caldwell Carpenter and B. J. Mickle, for property purchased in the town of Birtle. No voucher or certificate in support of this payment, by which an efficient audit can be made, has reached this office. In this case, a voucher showing the amount of land and buildings contained thereon purchased and a certificate of some competent appraiser as to the value of the property are necessary.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, February 25, 1903.

SIR,—I beg to acknowledge the receipt of your letter of the 20th instant, regarding the payment of $2,000 made by this department to Mrs. Jessie Jane Caldwell Carpenter, as payment in full for the Carpenter property in the town of Birtle, Man., and in reply I beg to transmit herewith, for your information, the deed of the said property, together with the agreement of sale, and the valuation made of the property. When you have examined the papers, kindly have them returned to this department.

I am, sir, your obedient servant,

The Auditor General. FRANK PEDLEY, *D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, March 2, 1903.

SIR,—I am in receipt of your letter of the 25th inst., regarding the payment of $2,000 by your department to Mrs. J. C. Carpenter, as payment in full for certain

property purchased at Birtle, Man., together with the deed of the property, the agreement of sale, and the valuation made of the property. From these papers it appears that the only valuation made of the property for the purchase was that made by your inspector, Mr. McGibbon, who recommended the purchase of the property in question. Would it not be advisable, in all such cases, to have a valuation made by an independent valuator ? I return the papers which accompanied your letter herewith.

I am, sir, your obedient servant,

The Superintendent General of Indian Affairs. J. L. McDOUGALL, *A.G.*

Irregularity in Dates of Payment of J. Dargue, for Dispensing Medicines.

AUDIT OFFICE, OTTAWA, April 8, 1903.

SIR,—Indian cheque No. 1433, 1902-3 (Manitoba and North-west Territories) is for a payment of $62.50 as salary to Joseph Dargue, teacher, for dispensing medicines at Poplar River Indian Reserve, for the quarters ended March 31, June 30, Sept. 30, 1901, and March 31 and June 30, 1902. The salary for the quarter ended December 31, 1901, was paid on June 15, 1902. I would like an explanation of the delay in the payment of the $62.50, and why the salary for the quarter ended December 31, 1901, was paid prior to the payment of the salary for March, June and September quarters of the same year.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, April 14, 1903.

SIR,—In reply to your letter of the 8th instant, I beg to inform you that Mr. Dargue was paid by cheque 3076 on January 7, 1901, for his services as dispenser at Poplar River up to December 31, 1900. His salary for December quarter, 1901, was paid on April 3, 1902 (by cheque No. 5273), not on June 15, 1902, as stated in your letter. Payment for quarters ended March 31, June 30, September 30, 1901, and March 31 and June 30, 1902, was, as you are aware, made on October 4, 1902. Mr. Dargue did not make requisition for his salary for the quarters last mentioned when the same was due. There was a change of agents for the district, which possibly accounts for the vouchers not having been submitted regularly. When the matter was brought to the attention of the department payment was made.

I am, sir, your obedient servant,

Accounts for Travelling Expenses should be Properly Certified.

AUDIT OFFICE, OTTAWA, July 25, 1903.

SIR,—Indian cheques Nos. 4704 and 4961 (Manitoba and North-west Territories) are for the payment of $21 and $18 respectively to Harry Montgomery for board fur-

nished to Rev. John Semmens, Indian Agent at Berens River. The vouchers in support of these payments are certified as follows :—

1st voucher: 'Entertainment received; prices usual.' (Sgd.) JOHN SEMMENS.

2nd voucher: 'Service rendered.' (Sgd.) JOHN SEMMENS.

The certificate prescribed by an Order in Council, dated December 17, 1889, is definite, and provides that all accounts for travelling and living expenses must bear certificate: 'The whole of the expenditure was incurred on Government business.' Kindly see that in future all accounts for travelling expenses and living expenses are certified in accordance with the Order in Council quoted above.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, July 29, 1903.

SIR,—In reply to your letter of the 25th instant, I beg to say that the Rev. J. Semmens has been written to and requested to be most particular in future to certify his travelling and living expense accounts in the manner required by Order in Council of December 17, 1889.

Payments to Dr. Bourgeault for visiting Carlton Agency.

AUDIT OFFICE, OTTAWA, October 20, 1903.

SIR,—Indian cheque No. 2284 (Manitoba and North-west Territories) is for a payment of $362 to Dr. Victor Bourgeault, physician at Duck Lake Agency, for professional services and travelling expenses while visiting Carlton Agency from August 4 to September 23, 1902. Indian cheque No. 5266 (Manitoba and North-west Territories) is for a payment of $246.35 to Dr. Victor Bourgeault, physician at Duck Lake Agency, for professional services and travelling expenses while visiting Carlton Agency from March 14 to April 7, 1903. This necessitated Dr. Bourgeault's absence from Duck Lake Agency for 51 days in the first instance, and 25 days in the last instance. Dr. Bourgeault's regular salary for the time absent was deducted from his account for the last trip, but not from his account for the first trip. I should like to be informed of the reasons for making the deduction of salary in the one case and not in the other.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, October 23, 1903.

SIR,—In reply to the inquiry in your letter of the 20th instant, I have the honour to inform you that the Hon. D. Laird, Indian Commissioner, made the arrangements for Dr. Victor Bourgeault's first trip into Carlton Agency. In reporting on the matter, the Indian Commissioner stated that it had not been necessary to call in another medical man to attend to Dr. Bourgeault's regular work during the time the latter was

absent. For this reason, and also as the trip was an arduous one, the Indian Commissioner recommended that the doctor be paid his salary in full for the time he was absent. Under the circmstances the department approved of the recommendation. The second trip was arranged altogether by the department, and it was considered that the circumstances in this case did not warrant the payment of Dr. Bourgeault's salary during his absence on special duty.

I am, sir, your obedient servant,

The Auditor General. FRANK PEDLEY. *D.S.G.I.A.*

Discrepancies in Accounts Rendered by the Lake of the Woods Milling Co. for Supplies for Rupert's Land Industrial School.

AUDIT OFFICE, OTTAWA, August 13, 1903.

SIR,—Indian Consolidated Fund cheque No. 3380 is for a payment of $62.53 to the Lake of the Woods Milling Co., being the balance of an account for $2,049.08 for flour, oats, &c., supplied between February 4, 1901, and November 27, 1902, on which payments amounting to $1,986.55 had been made from time to time. These payments were paid in settlement of accounts rendered by the company for supplies furnished the school. The accounts may be divided into two lots, the first lot amounting to $1,482.15 being rendered between March 31, 1901, and March 31, 1902, and the second lot amounting to $504.40 being rendered between May 7, 1902, and November 29, 1902. The second lot of accounts, which are certified to by W. J. Chisholm, Inspector of Agencies, as acting principal, agree in every respect with the items charged during that period in the account rendered in connection with cheque No. 3380, with the exception of an overpayment of $45, which is adjusted in the final settlement. The first lot of accounts which are certified to by Jas. G. Dagg, as principal, differ widely from the items charged during the same period in the account settled by cheque 3380, as appears from the following summary of accounts :—

SUMMARY of Accounts as originally rendered between March 31, 1901, and March 31, 1902.

Flour: 100 sacks at $2.10, 400 at $1.95, 200 at $1.75....	$1,340 00
Oats: 50 bush. at 55c., 64 7-34 at 42c., 225 at 39c.....	142 15

Bags: 20 at 10c., 23 at 9c....	4 05
Freight prepaid....	8 33
Total	$1,589 68

You will notice from these summaries that there is a striking discrepancy between the accounts in question, not only as regards the quantities supplied and the prices charged, but also in the nature of the supplies themselves. I would like to know what explanation, if any, of these discrepancies has been given by the school authorities, and also what explanation the Lake of the Woods Milling Co. has to make of the striking differences between the accounts rendered by them from time to time and the final statement of account.

I am, sir, your obedient servant,

The Deputy Superintendent General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, October 2, 1903.

SIR,—In reply to your letter of August 13 last, I beg to inclose herewith copy of a letter received by the Indian Commissioner from the Lake of the Woods Milling Company, dealing with the discrepancies to which you draw attention in the above-mentioned letter.

I am, sir, your obedient servant,

The Auditor General. FRANK PEDLEY, *D.S.G.I.A.*

WINNIPEG, September 25, 1903.

D. LAIRD, Esq., Indian Commissioner,
Winnipeg, Man.

DEAR SIR,—Replying to your favour (137-39) of the 23rd inst., *re* apparent discrepancies between statement rendered Mr. Inspector Chisholm, covering goods supplied Mr. J. G. Dagg, late Principal of Rupert's Land Industrial School, and invoices submitted by him to your department, would say: Mr. Dagg would order a quantity of flour for delivery as required, and at prices to protect himself against any advance, and would ask for memo. invoice covering the quantity of flour so ordered. Before this order was filled he would instruct his teamster to get so many bags of bran, shorts, rolled oats or oats, as he required, in lieu of flour of similar value, and which change in order we never thought of questioning, seeing that Mr. Dagg had power to order in the first place. The memo. invoice he would get from us when placing the order did not go through our books; we only charged up as deliveries were made, and the statement rendered Mr. Chisholm was as per our books and correct. You will readily understand that this company would not under any circumstances connive with any person or firm, and if there is any trouble between Mr. Dagg and your department, politically or otherwise, we do not wish to be drawn into it.

Yours truly,
Lake of the Woods Milling Co., Ltd.,
(Sgd.) FRANK E. BRAY.

AUDIT OFFICE, OTTAWA, October 21, 1903.

SIR,—I am in receipt of your letter of the 2nd instant, No. 117,377—21, inclosing a copy of a letter received by the Indian Commissioner from the Lake of the Woods Milling Co. with reference to the discrepancies in the accounts rendered for supplies

for the Rupert's Land Industrial School. I note that you made no comment on the explanation given me by the Lake of the Woods Milling Co. I should be obliged by your stating whether you approve or disapprove of Mr. Dagg's actions in this matter, and whether Mr. Dagg was carrying out the instructions received by him from the inspector or from your department. I would also like to know whether similar practices have been followed in any of the other Indian schools, or at any of the agencies.

I am, sir, your obedient servant,

The Deputy Superintendent General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, October 26, 1903.

SIR,—In reply to your letter of the 21st instant., I beg to say that the department distinctly disapproves of the course which was pursued by Mr. Dagg when Principal of the Rupert's Land Industrial School, in regard to the orders which he gave to the Lake of the Woods Milling Co., and the manner in which he arranged with the company to fill the orders. The department was unaware, until after the transaction had occurred, of the course taken by Mr. Dagg. He acted in the matter altogether without instructions from either the department or its inspector. He is not now, as you are aware, an officer of this department, and it was not until after he left the Indian service that the last statement was received from the Lake of the Woods Milling Company, upon which the discrepancies became apparent. With reference to the concluding paragraph of your letter, I beg to say that the department is not aware that similar practices have been followed at any other Indian industrial school, or at any Indian agencies. It is considered most unlikely that anything of the kind has occurred at other Indian schools or agencies.

I am, sir, your obedient servant,

The Auditor General. FRANK PEDLEY, *D.S.G.I.A.*

Payments to Thorburn & Sons for Lumber for Grist Mill at Crooked Lakes.

AUDIT OFFICE, OTTAWA, October 23, 1903.

SIR,—In June, 1902, an advance of $300 was made by cheque 6799 to Magnus Begg, Indian agent at Crooked Lakes, for expenses in connection with the rebuilding of the grist mill at that agency. Out of this advance Mr. Begg paid $220 to W. J. Silman for pulling down the old mill and erecting the new mill, and $79.80 to Thorburn & Sons for lumber, &c.; the balance, 20c., being refunded by him. On July 8, 1903, cheque No. 6124 was issued in favour of Thorburn & Sons for the amount of $163.40, in payment of the balance of their account for lumber for the new grist mill. The account is for the amount of $243.20, from which is deducted the sum of $79.80 paid in 1902 by Agent Begg. Although this later account thus appears to cover the former one, I find no agreement whatever between the two, either as regards quantities or price. I would like an explanation of the differences between the accounts. I also notice that Thorburn & Sons were paid the amount of $130.80 by cheque No. 7096, issued in July, 1902, for lumber for the grist mill. It would be well, under the circumstances, to make sure that this lumber is a separate lot from that charged for in either of the other accounts.

I am, sir, your obedient servant,

The Deputy Superintendent General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, December 1, 1903.

SIR,—Referring to your letter of the 23rd October, I enclose herewith for your information copies of the correspondence which has taken place between the department and Mr. Agent Begg, in respect to the lumber which was purchased from Messrs. Thorburn & Son. I trust that you will find the explanations furnished satisfactory.

I am, sir, your obedient servant,

The Auditor General. J. D. McLEAN, *Act. D.S.G.I.A.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, October 27, 1903.

SIR,—I beg to direct your attention to Messrs. Thorburn & Sons' account amounting to $79.80, which you forwarded with your letter of the 30th August, 1902, No. 248-12, when accounting for the expenditure of the proceeds of the cheque No. 6799 for $300, on account of the re-building of the grist mill. On the 26th June last, you forwarded, with letter No. 545-20, an account from the same firm, which shewed supplies furnished in all to the value of $243.20, on which the $79.80 above referred to had been paid, leaving a balance due of $163.40, which was paid by cheque No. 6124. Although the latter account appears to cover and include the former, yet, upon comparison, they do not agree with either as regards the quantities or prices charged. The department desires that you will look very carefully into this matter at once, and furnish an explanation. In this connection I wish also to direct your attention to account No. 523 in favour of Thorburn & Sons for siding and flooring supplied for the mill. This account amounted to $130.80, and was paid by cheque No. 7086. The department wishes to know whether this was a separate lot of lumber from that charged for in either of the above-mentioned accounts. You should give this matter your immediate attention.

I am, sir, your obedient servant,

J. D. McLEAN, *Secy.*

M. BEGG, Esq., Indian Agent,
Crooked Lake Agency.

CROOKED LAKE AGENCY, BROADVIEW, November 2, 1903.

SIR,—With reference to Messrs. Thorburn & Son's account of $79.80, receipt No. 276, paid out of accountable cheque No. 6799, and voucher No. 608 for $163.40, paid by cheque No. 6124, as regards the quantities and prices charged not agreeing, I have the honour to state that some of the items in account of $79.80 were returned and changed for lumber more suitable to our requirements, as for instance, the 1,600 feet of siding was returned and equivalent value got in flooring (part of item of 2,000 feet charged in voucher No. 608) to finish lining up the mill, and granary inside upstairs and down. The flooring was $4 per thousand cheaper and gave better service for inside lining, as flooring has not the bevel on the edge that siding has. The two lots of cedar boards are included in the item of 2,000 feet sheeting, the term 'board' and 'sheeting' being used here for the same lumber. There was an error in the price charged for 150 pounds cut nails, $7.13 in first account, which was rectified in voucher No. 608 to $6.75. The spikes and other nails were bulked together and therefore charged for at 100-pound rate. The lumber was got in the fall of 1902, although the second account was not rendered

until June, 1903, after repeated applications for it. The second account was rendered by Thorburn & Sons in full for $243.20, and upon checking it over, it was found that they had omitted to give credit for the cash $79.80 paid to them in August, 1902, and which was accordingly deducted. With regard to voucher No. 523 paid by cheque No. 7086, this was a separate lot of lumber entirely from either of the above-mentioned accounts.

Hoping that this explanation will be satisfactory.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. M. BEGG, *Indian Agent.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, November 13, 1903.

SIR,—In reply to your letter No. 692-20 of the 2nd instant, I have to say that the explanations are by no means considered satisfactory. The department depends upon the certificate of the Indian Agent for the absolute correctness of accounts presented, and when it is found that these accounts are incorrect, and that details have been certified to that are erroneous, it tends to weaken the department's trust in the Agent's certificates. There seems to be no reason why you should have certified to the accounts for $79.80, or why you should have ordered or received lumber which was unsuited to your requirements. You should explain these points fully, if it is possible for you to do so. The substitution of a general voucher with different details, including the first one issued, is considered a reprehensible proceeding. You and your clerk should be careful to guard against such errors in future.

I am, sir, your obedient servant,

FRANK PEDLEY, *D.S.G.I.A.*

MAGNUS BEGG, Esq., Indian Agent,
Broadview, Assa.

CROOKED LAKE AGENCY, November 19, 1903.

SIR,—With reference to departmental letter of the above date, with regard to Messrs. Thorburn & Sons' accounts, I have the honour to state that the lumber ordered was suitable so far as we could calculate at the time of ordering, but not being practical carpenters and builders, more of some lumber was ordered than was actually required, but on being changed, full value was got in what was substituted for it, and as in the case of 'siding' changed for flooring was more economical. In one of the two cases the lumber ordered, on being freighted out to the Agency, was not of good quality and was therefore returned, and better lumber received in its place. The firm not always having on hand just the dimensions ordered, we had to take the nearest, as the supply of lumber kept on hand in these small towns is not large, and we can not always get the size and kind ordered. The department got full value in the lumber charged in the account, both as regards quantity, price and quality, as I took care that such were correct before I certified to the account. I am always as particular in certifying to departmental accounts as I should be were they my own private accounts. As a further confirmation, I sent to Messrs. Thorburn to kindly send a certificate that the department duly received the lumber paid for in said voucher, which I herewith beg to inclose. The clerk and myself will be very particular to guard against these apparent errors in future. We had a great deal of trouble in getting this account for settlement, and both

the clerk and myself had to go into town to Messrs. Thorburn's office and stay until we got the account made out, so that it could be sent for payment before the fiscal year closed. In this case the miller, Mr. Sutherland, measured all the lumber carefully, and I inclose his statement to that effect. The clerk is very careful in all his accounts.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. MAGNUS BEGG, *Indian Agent.*

Accounts for Medical Service should be given in Detail.

AUDIT OFFICE, OTTAWA, April 3, 1903.

SIR,—Indian cheque No. 782, British Columbia, is for a payment of $239.50 to Dr. J. A. L. McAlpine, of Vancouver, for services vaccinating Indians at False Creek and professional attendance at the Isolation Hospital. The only details given on a voucher in support of this payment are the number of Indians vaccinated and the number of visits made to the hospital, but it is not shown how the amount paid is arrived at. Kindly obtain a fuller statement showing how this amount is made up and the dates between which the services were rendered.

All Moneys Collected should be Remitted in Full.

AUDIT OFFICE, OTTAWA, October 20, 1903.

SIR,—The Indian Trust Fund general receipt No. C 14626, issued March 14, 1903, is in acknowledgment of the receipt of $46.60 from S. R. Marlatt, for fines collected on account of the Water Hen River Band, as follows :—

G. Adams, liquor fine	$50 00
C. Adams do	25 00
J. H. Adams, trespassing	5 00
	80 00
LESS—J. G. Harvey, legal expenses	33 40
	$46 60

I would point out to you that in all cases the gross amount collected should be remitted to the department, and that any expenditure in connection therewith should be made by cheque in the usual manner, after the receipt of properly certified accounts.

I am, sir, your obedient servant,

The Deputy Superintendent General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, October 24, 1903.

SIR,—In reply to your letter of the 20th instant, with regard to an account of Mr. J. G. Harvey for legal expenses, the amount of which had been deducted from a fine imposed for supplying liquor to Indians, &c. (Indian Trust Fund general receipt No. C 14626), I beg to inform you that it is the custom of this department to require its agents to remit the full amount of all collections to the department, and make requisition for the payment of any charges that there may be against the same. In explanation of the reason why this course was not pursued in the above instance, the following explanation is made by Agent Marlatt :—

'I am aware that the procedure in paying the legal account of Mr. Harvey is irregular, but I cannot see how it can be helped in this case. Mr. Harvey resides in the village of Dauphin, and the cases were tried in Winnipegosis. The justice of the peace remitted the fines to Mr. Harvey, and he in turn remitted them to me, less the amount of his account. I returned his cheque with explanations, and requested the full amount, informing him that his account would be paid in the regular way by the department; he has again returned the original cheque, stating that "I do not think it necessary that I should wait payment of my account until the whole matter can go through Ottawa." Evidently he thinks a bird in the hand is worth two in the bush.'

Mr. Harvey's account was submitted to the Department of Justice for taxation before it was accepted, and I inclose the same herewith.

I am, sir, your obedient servant,

The Auditor General. FRANK PEDLEY, *D.S.G.I.A.*

SIR,—Indian Trust Fund cheque No. 3890 is for a payment of $69.78 to the municipality of St. Ambroise for building two bridges, and is charged against the Land Management Fund. Kindly let me know your reasons for making this a charge against Management Fund, which is, as I understand, only chargeable with the actual cost of management.

The work and supplies covered by these payments should have been obtained through the Department of Printing and Stationery. The accounts are returned herewith for the certificate of that Department as to the prices charged. Please explain the circumstances under which these purchases were made directly from the dealers, instead of through the Department of Printing and Stationery.

Chq. 71270—Banque Nationale, account of Vve. L. Havez	$ 829 22
" 72291—Bank of Montreal, account of W. & T. Avery	894 72

These two accounts are returned herewith for the certificate required by Section 33 of the Audit Act, that the prices are fair and just.

There are two payments to the Bank of Montreal for which no vouchers have been received, viz.: Cheque 72293, for $2,289.94, and Cheque 72294, for $1,490.20. Please let me have these accounts.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister, Inland Revenue Dept.

AUDIT OFFICE, OTTAWA, November 6, 1903.

SIR,—Will you be good enough to let me have, as soon as possible, the vouchers which were returned for certificate with my letter of the 23rd ultimo.

I have not yet received the two accounts referred to in the last paragraph of my letter. The account of Mr. A. Frechette, paid by cheque No. 72310, is also missing.

As the manuscript of the Inland Revenue part of my report is now ready for the printer, excepting the details of these three accounts, I have to request that they may be sent without further delay.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Inland Revenue.

DEPARTMENT OF INLAND REVENUE, OTTAWA, November 19, 1903.

SIR,—I beg to acknowledge the receipt of your communications of the 23rd, ult. and 6th, inst., relative to the return of certain vouchers.

I forward herewith vouchers for $829.22 and $894.72 certified as to prices being fair and just.

The expenditure covered by cheques Nos. 70180, 70195, 71717 and 72302 was in connection with the purchase of the necessary equipment connected with the Metric System of Weights and Measures and which are never obtained through the Department of Public Printing and Stationery. As I find that cheque No. 70180 is for binding I will submit a sample of the work done to the Department of Printing and Stationery for the necessary certificate.

Cheque Nos. 71717 and 72302 are for regular metrical supplies ordered from France through Messrs. E. H. Richer & Son, of St. Hyacinthe, the vouchers respecting which I return herewith.

Cheque No. 70195 covers the purchase of books relative to the Metric System of Weights and Measures. A specimen book will be submitted to the Department of Printing and Stationery for certificate.

With reference to the payments covered by cheques Nos. 72293, 72294 and 72310 I regret to say I am unable to forward you but one voucher at present.

The first cheque is in connection with an order for Standard Metric Sets of Weights and Measures ordered from W. & T. Avery of London, England, in the month of January last. Delivery was promised within a perion of three months. A portion of the goods arrived and were paid for in July last (cheque No. 72291). The balance was expected daily and a draft to cover the estimate cost was obtained (cheque No. 72293) a further portion of the original order was received late in October ult., but there is still a further lot to come. The draft is consequently withheld by the Department until the small balance of the original order (January, 1903) is received when the vouchers will be completed and forwarded you.

The second cheque (72294) is to cover 200 sample metric sets ordered from Paris, France. The goods have just been received at the Department and chequed off with the invoice and voucher forwarded herewith.

The third cheque (72310) is in connection with translation performed by Mr. A. Fréchette. The translation has been performed but as the proofs from the King's Printer have not, owing to the extreme length of the Session, yet been examined by Mr. Fréchette the cheque is withheld until this portion of the work is completed. Mr. Fréchette has been requested to complete this work in order that payment may be made and voucher supplied your office.

I remain, sir, your obedient servant,

W. J. GERALD,
D. M., I. Rev.

The Auditor General.

Re **Arrears Due—Defalcation of Deputy Collector Jones, Rossland, B.C.**

AUDIT OFFICE, OTTAWA, January 19, 1903.

SIR,—The statement of arrears due to your department on June 30th last contains the name of W. S. Jones, Vancouver, $1,202.09, which did not appear in the statement furnished for the year previous.

Would you please explain the nature of this indebtedness, how it arose, and what action has been taken to recover the amount.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, February 19, 1903.

SIR,—I beg to acknowledge the receipt of your communication of the 19th ult., relative to a sum of $1,202.09, arrears due this department, and requesting to be advised of the nature of this indebtedness, and what action has been taken to recover the amount.

In reply thereto, I beg to advise you that the above sum represents excise duties collected and dishonestly appropriated by William S. Jones, Deputy Collector of Inland Revenue at Rossland, B.C. The case has, for some time, been in the hands of the Department of Justice, with a view to the collection of the amount of the defalcation from Mr. Jones' sureties. Mr. Jones absconded to the United States.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *D.M.I.R.*

AUDIT OFFICE, OTTAWA, March 2, 1903.

SIR,—I have received your letter of the 19th ult., *re* the defalcation of Deputy Collector Jones, of Rossland, B.C.

I have to ask for a copy of your inspector's report on this case; also a statement of the collections made by Deputy Collector Jones and not accounted for.

You state that the case has, for some time, been in the hands of the Department of Justice, with a view of the collection of the amount from Mr. Jones' sureties.

Was this officer not under a bond of a Guarantee Company? If not, please explain why he was not. Are there any other collectors or deputy collectors of your department not under a bond of a Guarantee Company? Please let me have a copy of your regulation in reference to sureties.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, March 4, 1903.

SIR,—I beg to acknowledge the receipt of your further communication of the 2nd inst., relative to the defalcation of Deputy Collector Jones, of Rossland, B.C.

As requested, I send you herewith copies of the letters of the Inspector and Collector relative to the shortage. The aggregate defalcation, as stated, was determined at $1,680.92, but subsequent examination increased the amount to $1,681.45. This has since been reduced as follows:—Amount of credit in Bank of Commerce, Rossland, $152.04; duplicate cheque of Stein & Co. issued to replace cheque not cashed by Deputy Collector Jones, $283.17; and the amount to the credit of Mr. Jones at Department of Finance on account of 'Retirement Fund,' $44.15; leaving the net defalcation, $1,202.09.

The defalcation took place between March 27 and April 17, 1899. This officer was not under a bond of a Guarantee Company, as that form of security was not put into effect until July 1, 1899.

There are no collectors or deputy collectors since July 1, 1899, not under bond of a Guarantee Company.

I inclose copy of Departmental Regulations relative to sureties, and statement showing the extent of the defalcation at the time when discovered.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *D.M., I.R.*

Re Inspector's Statement—Winnipeg Division.

AUDIT OFFICE, OTTAWA, March 19, 1903.

SIR,—In the statement of the District Inspector covering the Winnipeg Division for the month of October last, there is the following memo.: 'See written report to Deputy Minister.'

Please let me have a copy of this report.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

Re Inspections.

AUDIT OFFICE, OTTAWA, March 21, 1903.

SIR,—I do not seem to have had any reply to my letter of March 27, 1901, in reference to Inspector's Warehousing statements.

That letter covered the statements received from the month of April, 1900. During that time no inspections had been made at Windsor or Montreal. One inspection has since been made at Windsor, viz., in March, 1902, but none at Montreal.

During the last two years no inspection has been made at St. Hyacinthe; and none at Joliette or Sherbrooke since May, 1901.

In eight divisions four inspections were made during 1902; in nine divisions, three; in eight divisions, two, and in two divisons only one.

One inspector gives a list of companies in arrears for Electric Light Registration fees. It is desirable that all should do so, or state that there is none in arrears.

I have to ask for a list of the inspectors, showing the ports each has to inspect; and a copy of the instructions given them.

Your attention is requested.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, March 21, 1903.

SIR,—In my letter of March 24, 1902, I asked for the Inspector's statements covering the cash accounts of your collectors.

In your reply dated November 10, 1902, you state that the statement which you assume I require is already furnished (Collector's monthly statement, G-2).

You are mistaken in assuming that it was your Collectors' statement that I required. That I already had, and by the way it bears no evidence of having been examined by your inspector.

What I require is the report which the inspector no doubt makes of his audit of the cash transactions of collectors.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

Re **Electric Light Inspection.**

AUDIT OFFICE, OTTAWA, October 24, 1903.

SIR,—There are 12 electric light companies under the Port of St. John, 23 under the Port of Halifax.

The inspection fees paid in 1902-03 at St. John were $1,059.25 ; at Halifax, $731. 50. I shall be glad to have an explanation.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, November 24, 1903.

SIR,—I beg to acknowledge the receipt of your communication of the 24th ult., asking an explanation as to the reasons why in connection with 23 electric light companies in the district of Halifax only the amount of $731.50 was collected for inspection fees, while in connection with 12 similar companies in the district of St. John, $1,059.25 was collected.

In reply I beg to draw your attention to the fact that the amount of inspection fees does not depend upon the number of companies doing business, but upon the number and capacity of the meters inspected.

The number and capacity of meters inspected in each district was as shown below:—

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *D.M., I. R.*

AUDIT OFFICE, OTTAWA, November 26, 1903.

SIR,—I have your letter of the 24th in explanation of the seeming deficiency in the receipts from Electric Light Inspection in the Halifax district as compared with the St. John district.

If I correctly understand the statement you furnish, 716 meters in connection with the 12 companies in St. John district were inspected, and 718 meters in connection with the 23 companies in Halifax district.

Might I ask if these are all the meters in connection with these companies; or do they merely represent the meters inspected during the year? What are the regulations as to inspection of these meters? Your report for 1903, page 54, shows that 673 were presented for inspection in St. John district, and 727 in Halifax district.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

Re **Bottling Labels.**

AUDIT OFFICE, OTTAWA, October 29, 1903.

SIR,—I do not seem to have had any reply to my letter of March 26, 1901, in reference to the revenue from sale of bottling labels.

The only information furnished in connection therewith is the entry in the Collector's monthly return.

I mentioned in my letter the statements required for purposes of audit.

It will be my duty to report the matter to the Treasury Board if I am unable to make an audit through lack of the necessary returns.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

Re **Excise Refunds.**

AUDIT OFFICE, OTTAWA, November 2, 1903.

SIR,—The refunds and drawbacks of Excise Revenue amounted to $150,227.17 in 1901-02, and to $246,590.12 in 1902-3, an increase of $96,362.95.

The greater part of this increase occurs under the following services :—

Crude fulminate exported :

$56,304.89 in 1901-02
68,543.92 in 1902-03 $12,239.03 increase.

Malt ex-warehoused for consumption—drawback of 5 per cent :

$19,342.77 in 1901-02
80,743.92 in 1902-03 $61,401.15 increase.

Tobacco and tobacco cuttings exported :

$42,486.39 in 1901-02
52,598.75 in 1902-03 $10,112.36 increase.

These large increases, especially in malt ex-warehoused for consumption, seem to call for explanation.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, November 21, 1903.

SIR,—I beg to acknowledge the receipt of your communication of the 2nd inst., asking for an explanation as to the increased refunds of 1902-3 over 1901-2.

In reply, I beg to state :

1st. The increase in connection with crude fulminate is due to the fact that in 1902-3 a greater quantity was manufactured and exported than during the preceding year, the quantities being 149,100 and 121,607:30 pounds respectively.

2nd. The increase in connection with malt refunds is due to the fact that the sums paid in any one fiscal year does not necessarily apply to transactions arising during that particular period. The refunds paid in 1901-02 ($19,342.77) all arose on transactions of the preceding fiscal year. The refunds paid in 1902-03 therefore embraced all the refunds due to 1901-02, a portion of the refunds appertaining to 1902-03 and small balances from 1899-1900 and 1900-01.

The aggregate refunds paid during 1902-3 amounted to $80,743.92, made up as follows :—

Pertaining to transactions of	1899-1900	$ 40 31
" "	1900-1	88 02
" "	1901-2	50,789 03
" "	1902-3	29,826 56
		$80,743 92

In 1902-3 many claims were received early enough to enable them (aggregating $29,826.56) to be paid and charged against the year to which they belong.

The balance of refunds due to 1902-3 have been paid and charged against 1903-4.

The increased refunds paid in connection with tobacco and tobacco cuttings exported are simply due to the fact that, as compared with the preceding year, an incresed number of proofs of exportation were fyled at the department in 1902-3.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *D.M.I.R.*

AUDIT OFFICE, OTTAWA, November 23, 1903.

SIR,—I have received your letter of the 21st inst. in explanation of the increases in refunds of excise revenue referred to in my letter of November 2.

You state that the amount paid in 1902-3 for malt refunds was made up as follows :—

Pertaining to transactions of	1899-1900	$ 40 31
" "	1900-1	88 02
" "	1901-2	50,789 03
" "	1902-3	29,826 56

You do not give any explanation of the increase from $19,342.77, paid in 1901-02 and pertaining to the transactions of 1900-01, to $50,789.03, paid in 1902-3 and pertaining to transactions of 1901-2. Do you not think that such a large increase calls for inquiry on the part of your officers and inspectors, to determine, if possible the cause?

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, November 27, 1903.

SIR,—I am in receipt of your further communication of the 23rd inst., relative to malt refunds.

In reply I beg to state that there is no unusual increase in the claims pertaining to each fiscal year.

Of the claims pertaining to 1900-01, $26,221.17 were paid during that fiscal year, leaving the balance of $19,342.77 to be paid during the following year.

The claims pertaining to the last four fiscal years were as follows:—

1899-1900	$42,632 60
1900-1901	45,651 96
1901-1902	50,789 03
1902-1903	47,788 33

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *D.M., I.R.*

AUDIT OFFICE, OTTAWA, November 11, 1903.

SIR,—I inclose a list of vouchers short, in connection with Excise Refunds, 1902-03. The greater number of them are for refunds authorized by Order in Council, the vouchers for which were sent to Council.

I have to ask that these vouchers may be got back from the Council and forwarded to this office immediately. It is desirable that an understanding be come to for the future, so that all such vouchers will be returned to your department as soon as the order is passed.

The fact of an Order in Council being passed authorizing payment does not relieve this office of the duty of auditing the payment, and to do that the vouchers are necessary.

You will also please forward the other missing vouchers.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. L. McDOUGALL, *A.G.*

Irregularities in Attendance Certificates.

AUDIT OFFICE, OTTAWA, Dec. 4, 1902.

SIR,—I notice on the pay-lists for your temporary employees that were sent to me at the end of last month for my certificate, that a deduction of eight days was made from the salary of Miss Gillies, of the Immigration Branch, being for absence during the month of July last. The attendance certificates sent me in support of the July pay-list did not show any absence for Miss Gillies, the officer signing that certificate certifying that she had been in attendance every day that month with the exception of Sundays and statutory holidays. This does not seem to be the only case in which the attendance certificate of the Immigration Branch has not been in accordance with the actual facts, as a few days ago an officer of that branch requested to see the attendance certificates of the Immigration Branch for the months of March and April, as he wished to ascertain therefrom how many days a certain clerk had been absent on leave in those months. According to the certificates, however, the clerk in question had been present every day during the two months. Under the circumstances, I wish that you would explain how these irregularities occurred, and give proof that no errors still exist in the pay-lists.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Expenses of Illness of Hon. J. H. Ross

AUDIT OFFICE, OTTAWA, March 26, 1903.

SIR,—I beg to draw attention to the following payments made through the departmental letter-of-credit in connection with your illness :

Oct. 28, 1902—Cheque No. 80 : F. J. Nicholson, M.D., White Horse, professional services, July 18 to August 30		$ 500 00
Oct. 28, 1902—Cheque No. 81 : Miss Hanewell, White Horse, professional services as nurse, July 23 to August 26, 35 days at $10		350 00
Nov. 15, 1902—Cheque 87 : Miss J. M. Grady, White Horse—		
Professional services as nurse, July 20 to September 1, 44 days at $10	$440 00	
Expenses (laundry, travel, &c.)	16 05	
		456 05
		$1,306 05

In view of the fact that during the whole period covered by the above payments you were in receipt of a regular salary at the rate of $500 a month and also in receipt of a living allowance at the rate of $500 a month, you will probably pay the amounts above mentioned. I thought it better to write to yourself first. Possibly the nature of the payments was not fully appreciated by you. There will be no harm done by waiting until hearing from you.

I am, sir, your obedient servant,

Hon. J. H. Ross, M.P., House of Commons. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, April 22, 1903

SIR,—Your letter of the 26th ultimo, addressed to the Hon. J. H. Ross, M.P., in which you take exception to certain payments which have been made for the professional services of nurses who attended upon him during his illness last summer, has been brought to my attention. In this relation, I wish to point out that in view of the remoteness of the Yukon from railway communication, and the inclemency of the weather during a great part of the year, it has always been customary for the department, since the inception of our offices at Dawson, to provide hospital treatment for such of our officials who may require the same, if taken ill while in the performance of their official duties. When Mr. Ross was stricken with the very serious attack of paralysis, from which for a time his life was despaired of, it was felt that he should not be in a less favourable position, as regards medical treatment, than it has been usual to extend to our ordinary officers, and the Minister therefore authorized the expenditure for the professional services referred to in your letter now under reply. Mr. Ross' case was an exceptional one, which required constant and very careful treatment, and it was deemed necessary to have the services of a medical man, as well as those of the two trained nurses. I may explain that the allowance of $500 per month, which is made to the Commissioner of the Yukon Territory, is especially intended to keep up the Government House, and that the Commissioner pays all the expenses incurred in this relation.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

Delay in forwarding Statements.

AUDIT OFFICE, OTTAWA, June 5, 1903.

SIR,—I have just received from your department the statements of cheques issued at Dawson during the month of March last on account of 'Administration,' and of 'Construction and Maintenance of Public Buildings.' The first of these statements appears to have been received in your office on April 20, and the other statement on May 2. Kindly let me know the reason for the delay in transmitting these statements to this office for repayment to the bank.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Duplicate Payment for Heater for Mining Inspector's Office, Gold Bottom.

AUDIT OFFICE, OTTAWA, March 23, 1903.

SIR,—I have to ask your attention to what appears to be a duplicate payment to the J. & T. Adair Hardware House of $34 for one large heater for the Mining Inspector's office at Gold Bottom. This account, which is dated October 30, 1902, was paid in the first place by cheque No. 110, drawn on December 10, 1902. An account, exactly similar in every respect, was paid by cheque No. 171, drawn on January 10, 1903. Both these payments are charged against the moneys appropriated for maintenance of public buildings.

Kindly ascertain whether this is actually a duplicate payment, and if so, obtain the necessary refund.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, May 29, 1903.

SIR,—I beg to acknowledge the receipt of your two letters of the 23rd March last relating to payments made at Dawson in connection with the vote for maintenance of public buildings in the Yukon Territory, per cheques Nos. 110, 171, 156 and 115. The Comptroller at Dawson was requested to furnish the department with the necessary information, and I now send you, herewith, a copy of his letter referring to the payments above mentioned.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., April 23, 1903.

SIR,—I am in receipt of your letter of the 3rd inst., Ref. No. 754303, *re* expenditure made for the maintenance of public buildings in the Yukon Territory, requesting explanations regarding certain payments, inclosing copies of two letters from the Auditor General. The first heater supplied by the J. & T. Adair Hardware Co. was found to be too small for the new office at Gold Bottom, and it was returned, being brought to Dawson by one of our own teams, which had been employed on road work. It was slightly damaged in transit, and was placed in the police court building in Dawson, where it is at present. A larger, but lighter, heater was purchased for the Mining Inspector's office at Gold Bottom. The payment of freight on the three cases of coal oil sent to the Mining Recorder at Forty Mile is correct. The Dawson Hardware Co. prepaid the freight, expecting to send the oil by steamer, but the steamer was taken off the run, and it was sent in a small boat rowed down the river when the ice was running. Mr. R. M. Blair stated that he was compelled to pay this additional charge to secure delivery of the oil. The matter was investigated when he came to Dawson.

I am, sir, your obedient servant,

The Secretary, Department of the Interior. J. T. LITHGOW, *Comptroller.*

AUDIT OFFICE, OTTAWA, June 26, 1903.

SIR,—I am in receipt of your letter of the 29th ultimo, in reply to mine of March 23rd, with reference to certain payments to the J. & T. Adair Hardware House for heaters purchased for the Mining Inspector's office at Gold Bottom. The explanation given by Mr. Lithgow in his letter of April 23, a copy of which you sent me, is scarcely satisfactory, and I would like a further explanation with reference to these heaters. The facts of the case, as gathered from the accounts, appear to be as follows: On October 18, 1902, sundry office supplies, amounting to $58, and including a 28-inch air-tight heater with pipes, damper and stove board, were purchased for the Mining Inspector's office, and on October 30 a large heater, costing $32.50, with $1.50 freight, was purchased for the same office, both these accounts being paid by cheque No. 110, issued on December 10, against the appropriation for maintenance of public buildings. On January 10, cheque No. 171 was issued in favour of the J. & T. Adair Hardware House for $288.75. This cheque covered, among other items, a charge of $34 for one large heater with freight charges, supplied on October 30 for the Mining Inspector's office at Gold Bottom. It appears to me that the heater which, according to Mr. Lithgow, was found to be too small for the office, and which was brought back to Dawson and used in the police court building, must be the 28-inch heater charged for in the invoice dated October 18, and that consequently the second charge on October 30 for a heater costing $34, is a double payment. I am borne out in this by the dates given in

the two accounts, which appear to be duplicates, as if these were separate heaters bought at separate times, the dates would be different instead of being identical, the dates given being presumably the date of actual purchase, as shown by Messrs. Adair's books.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, Aug. 22, 1903.

SIR,—With reference to your letter of the 26th June last, relating to heaters purchased from the J. & T. Adair Hardware Co. for the Mining Inspector's office at Gold Bottom, I beg to say that the Comptroller of the Yukon Territory was written to on the subject, and a refund for $34 was recently received from Dawson in this connection. The bank receipt is being sent to the Finance Department.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Payment of Accounts of 1899.

AUDIT OFFICE, OTTAWA, December 21, 1903.

SIR,—The following amounts were paid during the past fiscal year from Dominion Lands, Capital, to men who were employed as assistant surveyors in the Yukon Territory in 1899 :—

W. Gratton : allowance for clothing, $100 ; fare, Dawson to Ottawa, $143.25	$243 25
H. H. Lang : board, 66 days to May 5, 1899, at $4 ; expenses, Dawson to Brandon, $105	369 00
R. McConnell, board, 67 days to May 6, 1899, at $4	268 00
I. Rowland. board, 97 days to June 30, 1899, less $184 paid to Mrs. Rowland	204 00

I should like to know why these payments were not made until the summer of 1902, —three full years after they were incurred.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J L. McDOUGALL, *A.G.*

Expenditure for Surveys charged temporarily to Yukon Territory.

AUDIT OFFICE, OTTAWA, June 6, 1903.

SIR,—In the statement of cheques issued at Dawson during the month of March on account of Administration, I find payments amounting to $12,790.09 on account of surveys. Such payments have, in previous months, been charged against the vote for Dominion Lands, Capital. I have to ask why they are not so charged during the month in question.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, June 15, 1903.

SIR,—Referring to your letter of the 6th instant, in which you ask why the payments on account of surveys in the Yukon Territory for the month of March are not charged, as in former months, against the vote for Dominion Lands, Capital, I beg to inform you that it is intended that the cost of surveys in the Yukon should be charged to our regular survey vote, Capital Account, but the Comptroller at Dawson has far exceeded the estimates, without explanation, and in the meantime the expenditures mentioned have been charged to the Administration vote until the supplementary vote for surveys asked for is available. A letter has been written to the Comptroller asking for an explanation of the heavy payments which have been made in excess of the amount estimated.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

Refunds for Fire Guard Service.

AUDIT OFFICE, OTTAWA, March 2, 1903.

SIR,—I have your application of November 27, asking that Dominion Lands Revenue be debited and Dominion Lands Income—Protection of Timber—be credited with the amount of $403.64, being the amounts included in the July, September and October revenue returns on account of fire-guard service in British Columbia. Although British Columbia is not mentioned in the appropriation for Protection of Timber, I am passing the transfer, regarding these amounts as refunds on account of the expenditure in British Columbia which has been already charged against that appropriation. I should like to be informed how these amounts, which appear to have been collected from the holders of the different timber limits, are arrived at.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

No Vote for Forestry Expenditure in British Columbia.

AUDIT OFFICE, OTTAWA, March 2, 1903.

SIR,—I am in receipt of your application of the 15th ultimo for a transfer entry debiting Dominion Lands Income, Contingencies, and crediting Dominion Lands Income, Forestry, with the amount of $3,133.58, being amounts paid during the current fiscal year on account of fire ranging, &c., in the North-west Territories and the railway belt in British Columbia. In the first place, I do not think that these payments can be charged against the appropriation for Contingencies of the Dominion Lands and Crown Timber Offices, as they do not appear to be of the nature of Contingencies as defined by the Contingencies Act. In the second place, the appropriation for Forestry is worded as follows : 'Protection of Timber in Manitoba and the North-west Teritories and Tree Culture in the North-west Territories.' To this appropriation properly belong all payments for fire ranging, &c., in Manitoba and the North-west Territories. There appears to have been no provision made for similar payments in British Columbia, but I do not consider myself justified in passing a transfer of such payments from the appropriation to which you have charged them in the first place to an appropriation to which, manifestly, they do not belong. It appears to me that this transfer is asked

by you on account of the expenditure for Protection of Timber and for Tree Culture being greater than was anticipated. The only remedy I can suggest is that you apply at the approaching session of Parliament for a supplementary vote on account of Forestry. This vote should provide for protection of timber in the railway belt of British Columbia, and also for tree culture in Manitoba, as I understand from Mr. Stewart, tree culture operations are actually carried on in Manitoba as well as in the Territories, although only the North-west Territories are mentioned in that part of the vote. I regret that the press of business caused by the preparation of my annual report has prevented my discussing the matter earlier.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Payment for Leave not Authorized.

AUDIT OFFICE, OTTAWA, December 4, 1902.

SIR,—I find on examination of the attendance certificates sent to this office with your monthly pay-lists for temporary employees that Mrs. L. Norton appears to have considerably exceeded the leave allowed her by the regulations. Mrs. Norton was allowed special leave of absence on account of sickness from July 5 to August 26 by Order in Council of September 3 last. In addition to this time, she appears from the attendance certificates to have been absent some 45 days in all since the 1st of January, for which she received pay. The greatest number of days for which she could be paid without special leave granted under Order in Council is 35 days, *i.e.*, three weeks' annual leave and two weeks' sick leave. She thus appears to have been paid for ten days to which she was not entitled according to the regulations. Kindly have this matter looked into and, if it appears she has been paid in excess, have the amount deducted from the next pay-list.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Re Dominion Lands Revenue : Homestead Entries at Yorkton.

AUDIT OFFICE, OTTAWA, July 4, 1903.

SIR,—An examination of the return of the agent of Dominion Lands at Yorkton for the month of April last, reveals the fact that he issued over one thousand seven hundred (1,700) homestead receipts upon which $5 had been paid on each on account, instead of $10, as provided by the Dominion Lands Act.

As this is the first instance upon which payments were received on account of homestead entries, I should be glad to know under what authority the agent acted; also, if any of these balances have since been paid.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, July 15, 1903.

SIR,—I have your letter of the 4th instant having reference to the return of the Dominion Lands Agent at Yorkton for the month of April last, in which it is shown that only $5 has been paid on each homestead entry, instead of $10, as provided by the Dominion Lands Act, and you ask under what authority the agent acted, and if any of the balances have since been paid.

In reply, I beg to say that under an arrangement by which the Doukhobors were induced to make homestead entries, the Minister decided that it would be well to accept half of the entry fee at the time the entry was made, the other $5 to be paid on the 1st of March, next year, with interest.

I may add that it was simply a question of expediency, as there had been for some years difficulty in inducing many of these settlers to make homestead entries, and rather than have any further question in the matter or delay, it was thought advisable to adopt this course. Certainly no harm can come from it, as no patent will issue to any person until all the fees have been paid in full.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, July 22, 1903.

SIR,—I have your letter of the 15th instant, in reply to mine of the 4th, in reference to homestead entries granted by the agent at Yorkton on payment of half the fees, in April last.

You say 'that under an arrangement by which the Doukhobors were induced to make homestead entries, the Minister decided that it would be well to accept half of the entry fee at the time the entry was made, the other $5 to be paid on the 1st of March next year, with interest.'

As interest is to be paid, the Act of Parliament seems to be substantially complied with.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, July 7, 1903.

SIR,—The revenue returns of the Patent Branch for the months of February and March last contain the following entries of homestead fees collected by the Emigration Commissioner, London, Eng., from Rev. J. M. Barr, viz.:—

Receipt No.	Date.	Amount.
2869	February 28, 1903	$4,860 00
2870	February 28, 1903	2,440 00
2906	March 13, 1903	2,500 00
2907	March 13, 1903	1,720 00
2980	March 31, 1903	9,229 65

Neither statements nor counterfoils have been received from the Emigration Commissioner in connection with these amounts, and I have to ask you to have them furnished at your early convenience.

The last of these receipts, viz., No. 2980, reads, 'On account, homestead fees received from Rev. J. M. Barr.' From that wording of the receipt, one would infer that there was a balance unpaid. I should be glad to know if that is the case.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, July 8, 1903.

SIR,—I am in receipt of your letter of the 7th instant, having reference to certain payments made by the Rev. J. M. Barr, and for which receipts were issued to him.

I may say regarding these receipts that they were issued to him from the office of the Commissioner of Emigration in London, and Mr. Barr, at the time payments were made—with the exception of the last payment—furnished statements showing the names of the persons on whose account these moneys were deposited. Lists were prepared and sent to the Land Office so that the agent might be able to check up the names of the persons for whom the money was paid when they made their entries, and copies of these lists will be sent to you as you request.

Regarding the amount of, I think, about £1,500, this was paid into the department without lists of names, merely to show the good faith of the organization. The amount was to be taken up in homestead entry fees, for which Mr. Barr would furnish names at a later date. Whether this will be done or not, I am not at present prepared to say, but it has been found that Mr. Barr has issued his own receipts to various persons without having reported the names to the department, and the department is therefore in the meantime honouring all such receipts as against the deposit made by Mr. Barr.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

Re Agents' Bank Accounts.

AUDIT OFFICE, OTTAWA, March 3, 1903.

SIR,—The agent at Edmonton has not furnished any statement of his bank account since April last.

The agents at Minnedosa and Yorkton enter in their statements only the cheques paid by the bank during the month, instead of the cheques issued.

None of the accounts are certified by the examining officer in your department.

I am, sir, your obedient servant,

The Secretary, Department of the Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, March 6, 1903.

SIR,—I am directed to acknowledge the receipt of your letter of the 3rd instant with reference to the Dominion Lands Agents' bank accounts. The agents concerned have been communicated with, and in future the accounts in question will be certified by the examining officer of the department.

I am, sir, your obedient servant,

The Auditor General P. G. KEYES, *Secretary.*

DEPARTMENT OF THE INTERIOR, OTTAWA, April 1, 1903.

SIR,—Referring to your letter of the 3rd ult., in which you point out that the bank account statements from the Agent of Dominion Lands at Edmonton have not reached your office, I am directed to inclose herewith the statements required, from April, 1902, to February, 1903, and to inform you that the agent has been instructed to forward his return promptly each month in future.

I am, sir, your obedient servant,

The Auditor General. P .G. KEYES, *Secretary.*

Re **Hudson's Bay Company.**

AUDIT OFFICE, OTTAWA, March 2, 1903.

SIR,—On January 7 last you issued a cheque for $1,511.11 in favour of the Hudson's Bay Company in payment of one-twentieth of the receipts for ground rent and timber dues on unsurveyed territory in the fertile belt, from July 1, 1899, to June 30, 1902, $5,844.14; less amount due for survey of lands passed to the company from March 30, 1901, to June 30, 1902, $4,333.03.

I have to ask for a detailed statement of these amounts.

I am, sir, your obedient servant,

The Secretary, Department of the Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, March 20, 1903.

SIR,—In reference to your letter of the 2nd inst., in which you ask for a detailed statement of the account for which a cheque for $1,511.11 was issued on the 7th of January last to the Hudson's Bay Company, I now have the honour to inclose herein two statements, one showing the share of cost of survey of lands, amounting to $4,333.03, and the other statement showing the amount received on account of ground rent, &c., in unsurveyed territory, 1/20 of which is to be credited to the Hudson's Bay Company.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Re **Timber Dues, Yukon.**

AUDIT OFFICE, OTTAWA, December 17, 1903.

SIR,—Receipt No. 2292, dated Dawson, November 11, 1902, issued by Agent A. H. Povah, is for $750, and reads as follows :—

'Paid by H. W. Newlands, legal adviser, on behalf of H M. Henning, Dawson, the sum of seven hundred and fifty dollars, being a portion of $3,000 paid to him by the Dawson Electric Light anad Power Co., in payment of the seizure dues on 1,500 cords wood at the rate of $2 per cord. The balance, $2,250, is held by the legal adviser, subject to instructions from the Commissioner.'

I do not find that this balance is accounted for in the revenue of 1902-3. Has it been paid, and if so, when ?

I have to call your attention to section 27 of the Audit Act which directs that the gross revenue shall be deposited to the credit of the Receiver General.

This regulation should be strictly observed. You have the power, through your letter of credit, to withdraw the whole or part of any deposit which may be decided to have been made in error. Government funds should not remain in hands of officers for an indefinite time.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, Jan. 25, 1904.

SIR,—I am directed to acknowledge the receipt of your letter of the 17th ultimo, having reference to receipt No. 2292, issued at Dawson on the 11th November, 1902, for $750, which amount was paid by Mr. H. W. Newlands, legal adviser, on behalf of Mr. H. M. Henning. I am to explain that Mr. Henning cut a quantity of cordwood without authority, which wood was placed under seizure. As Mr. Henning had a number of labourers employed in cutting this wood, to whom he was indebted, the department instructed its officials at Dawson to sell this wood at public auction and distribute the purchase price among the labourers after deducting the government dues on the wood cut. The receipt referred to by you in your communication covers the dues collected on a portion of the wood, namely, 1,500 cords, the balance of the purchase money having been divided among the labourers in accordance with the instructions issued.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Re Yukon Local Revenue : Refund Liquor Licenses.

AUDIT OFFICE, OTTAWA, March 17, 1903.

SIR,—The return of liquor licenses refunded, furnished by the Chief License Inspector, has a cheque, No. 3559, in favour of Jeff. Gear, entered as $360.40, for license expiring April 5, 1903, 265 days at $1.36.

In your return of expenditure, and in the statement of outstanding cheques, it is entered as $374.

You state in your letter of January 21, 1903, that the party is out of the country and the cheque is being held.

If the cheque has been written for too much and is still in your possession, it can be corrected.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. J. L. McDOUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., May 2, 1903.

SIR,—I beg to acknowledge receipt of your letter of the 17th March, pointing out that cheque No. 3559, in favour of Jeff. Gear for refund of liquor license, is entered on the return as $360.40, whereas the statement of expenditure shows the amount as $374.

On looking into the matter, I find that the cheque should have read as $360.40, and that Mr. Gear was, therefore, overpaid $13.60 in error, and as the cheque has been handed over to him, and I have been unable to obtain the amount from him, it has therefore been paid by the party who made the error, and will appear in the quarterly statement of revenue under general receipt No. 326.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

_Re_ Yukon Local Revenue : Preventive Service.

AUDIT OFFICE, OTTAWA, October 1, 1903.

SIR,—The chief preventive officer at Dawson receives a salary of $200 per month and a living allowance of $150.

He was absent on a trip to Ottawa from January 24 to May 4, and was paid $294.80 for his actual living expenses while absent.

The regulation of the Department of the Interior is that the regular monthly allowance paid officials for living and lodging expenses must cease when these officials are absent on business, and that for the time they are so absent they shall receive their actual expenses. See Audit Report 1900-1, page L—104.

Consequently the allowance for three and one-third months, paid Mr. McKinnon while he was absent from Dawson, should be refunded.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. J. L. McDOUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., Oct. 31, 1903.

SIR,—I have the honour to acknowledge the receipt of your letter of the 1st inst. *re* a payment made to Mr. H. McKinnon, Chief Preventive Officer, for travelling expenses on a trip to Ottawa.

Mr. McKinnon is an officer of the Local Government and was appointed on a straight salary of $350 per month. His duties call him to different parts of the Teritory and, occasionally, to other places, but while absent he has to maintain his house at Dawson, and his household expenses are not materially decreased while away from his usual place of residence. The officials of the Local Government, who are appointed and paid by the Yukon Council, are not amenable to any regulation made by the Department of the Interior, as far as I am aware.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

Yukon Local Revenue : Grand Forks School.

AUDIT OFFICE, OTTAWA, October 9, 1903.

SIR,—The Bonanza Presbyterian Church was paid $85 per month for rent, janitor and fuel for schoolhouse for eight months ended April 30, 1903.

Please explain the payment to W. S. Dalgleish of $280 for 20 cords of wood for this school.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. J. L. McDOUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., Nov. 3, 1903.

SIR,—I beg to acknowledge the receipt of your letter of the 9th ult., *re* payment to W. S. Dalgleish for 20 cords wood for the school at Bonanza. When this wood was purchased, it was the intention to provide our own heating for the building, but the trustees of the Bonanza Presbyterian Church held the Superintendent of the Schools to his original agreement, viz., $85 per month for all services, including heating. This wood was not required, but has since been transferred to the new public school recently erected, and is now being used, and will likely be sufficient for the present winter.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

Re Yukon Local Revenue : Interest paid the Canadian Bank of Commerce.

AUDIT OFFICE, OTTAWA, Sept. 22, 1903.

SIR,—The expenditure of the Yukon Council during the year ended June 30 last was $626,021.38, and the receipts $357,039.33, a deficit of $268,982.05, made up principally of expenditures for roads and bridges, and in capping the Eldorado Gusher.

These works seem to have been carried on by the Yukon Council for the account of the Dominion Government. There was recently repaid to the council $126,642.50 on account of roads anad bridges, and $50,000 on account of the Gusher.

To meet these expenditures the council overdrew their account in the Canadian Bank of Commerce, and have been paying interest on the over-drafts as follows :—$895.05 in 1900-1, $1,081.10 in 1901-2, and $7,412.26 in 1902-3.

The average balance at the credit of the Dominion Government in the Bank of Commerce during the year was over $400,000.

Under the circumstances, at least the interest on the amount assumed and paid for by the Dominion Government should be refunded.

I wrote you on February 26, 1901, in reference to the interest paid in 1900-1.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Re Yukon Local Revenue : Election Expenses.

AUDIT OFFICE, OTTAWA, June 17, 1903.

SIR,—The following charges in connection with election expenses seem to call for some explanation :—

The Yukon 'Sun.'—Printing 17½ thousand ballots at $60 per M. The White Horse 'Star' only charges $20 per M., while the general charge here is $2.50 per M.

The Yukon 'Sun.'—Printing 100 proclamations at 80c. each, 200 proclamations at 62½c. each. The White Horse 'Star' only charges 21c. each for 60 proclamations.

In District No. 2 C. L. Dearing is paid services self and assistant, 14 days with ballot boxes, $5 per day each, $4 per day each for expenses, and $1 per day each for eight dogs and feed. John H. Barker, for similar work, is paid $5 per day for self and assistant for expenses and $1.50 per day for each dog and feed.

Five of the polling places are described as Mounted Police posts, yet the deputy returning officer has been paid $25 in each case for rent of booth.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. J. L. McDOUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., July 7, 1903.

SIR,—I beg to acknowledge receipt of your letter of the 17th ult. in connection with the Yukon election expenses. The difference between the prices charged by the White Horse 'Star' and the Yukon 'Sun' is due to the fact that the price of living, rent and all other expenses are much less at White Horse than in Dawson. In road construction the workmen at the White Horse end were paid $4 per day and board and at Dawson $5 per day and board.

There is a printers' union in Dawson which fixes the scale of wages, the minimum rate being $250 per month. I understand that the White Horse 'Star'—which is only published weekly—is operated by the proprietors, and they do not require any assistance.

Regarding the hire of dog teams, there is no fixed rate for such services, and the returning officers made the best arrangement they could. This is particularly the case in going to Clear and Duncan Creeks. There is no trail, and in many places no roadhouse accommodation.

C. L. Dearing simply went with proclamations, whereas the other men had to carry and deliver the large tin ballot boxes.

Referring to the polling booths, I inclose copy of a letter from the Assistant Commissioner of the North-west Mounted Police, in which he states that the police posts were not used by the deputy returning officers, but that private buildings were hired.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

NORTH-WEST MOUNTED POLICE, DAWSON, Y.T., July 6, 1903.

SIR,—Referring to yours of the 2nd July, file No. 1769, regarding Mounted Police posts being used as polling booths during the late election for the Yukon Council, I beg to state that I communicated with the returning officers and find that the five points described as North-west Mounted Police posts were so designated merely as a matter of information and convenience to the voters, so that they would know just where to go to record their votes.

The polling booths were held in private buildings, for which the returning officer paid the usual fees, and in no case did the police receive any money for rent.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. Z. T. WOOD, *Asst. Commissioner.*

Re Local Revenue : Yukon Territory.

AUDIT OFFICE, OTTAWA, June 16, 1903.

SIR,—On October 20 you paid Messrs. Patullo & Ridley, attorneys for A. Klimesch, $372, being board and attendance of D. Patterson from November 23, 1899, to February 23, 1900—93 days at $4 per day.

When accounts of such long standing (nearly three years) are paid, full particulars should be furnished of the cause of the delay, and the grounds upon which the payment is now made.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. J. L. McDOUGALL, *A.G*

COMPTROLLER'S OFFICE, DAWSON, Y.T., June 30, 1903.

SIR,—I beg to acknowledge receipt of your letter of the 16th inst., regarding the payment of an amount to A. Klimesch, of Selkirk, of $372 for board, lodgings and attendance on an indigent, D. Patterson, and requesting an explanation of the long delay in settling this account.

I inclose copy of a report from the Superintendent of the North-west Mounted Police to the Commissioner regarding this case. The matter was gone into by the Yukon Council and payment authorized.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

NORTH-WEST MOUNTED POLICE, DAWSON, Y.T., Nov. 25, 1901.

SIR,—Referring to the account of Mr. A. Klimesch, of Selkirk, for $444 for board, lodging and attendance on a sick and destitute man named Patterson in the fall of 1899, I beg to report as follows :—

Patterson having accidentally broken his leg while employed on one of the Victoria Yukon Trading Company's scows, was handed over to the police by his companions at Selkirk. Constable Pennycuick, who was in charge, called in Hospital Corporal Lincoln, of the Yukon Field Force, to put the leg in splints, and moved the injured man to Mr. Klimesch's hotel, where he could get proper attention; this was necessary, as the two policemen then at Selkirk were sometimes both away for two days or more. I have no doubt whatever that from the mere fact of the police bringing Patterson to his hotel that Mr. Klimesch looked to them (the police) to see that he was recompensed. For this reason, I feel that it is my duty to make every effort to have the account settled. Had I any fund at my disposal from which the account could be paid, Klimesch would have had his money long ago. He is certainly entitled to remuneration, and, while repudiating any liability in the matter as far as the police are concerned, it seems only right and just that as he took over the injured man in good faith from the police, we at least should try and see that he is not a loser thereby. It is true that Mr. Holland, the manager of the V. Y. T. Co., afterwards assumed responsibility for any expense incurred, but the company later on repudiated the account and claimed that Patterson should have settled it himself. This, we are well aware, he was not able to do.

I am, sir, your obedient servant,

The Commissioner, Dawson, Y.T. Z. T. WOOD, *Supt.*

_Re_ Local Revenue : Yukon : City Health Officer.

AUDIT OFFICE, OTTAWA, June 15, 1903.

SIR,—On July 11, 1902, W. E. Thompson, M.D., was paid $666.64 for services as City Health Officer for November and December, 1898, and January and February, 1899.

Please explain why this officer was not paid his salary when it accrued.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y,T. J. L. McDOUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., June 30, 1903.

SIR,—I beg to acknowledge receipt of your letter of the 15h inst. regarding a payment of $666.64 to W. E. Thompson, M.D., for services as City Health Officer, Dawson, during November and December, 1898, and January and February, 1899, requesting an explanation why this account had not been sooner paid.

I inclose a copy of a letter from Dr. W. E. Thompson to the Commissioner in Council, which letter came before the Yukon Council in June, 1902, and payment was authorized for the amount claimed.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

DAWSON, Y.T., Oct. 7, 1901.

SIR,—I have the honour to inclose herewith an account for services as City Health Officer for four months from October 1, 1898, till February 1, 1899, during which months I was employed in that capacity. It might be necessary for me to explain the delay in not placing this account before you earlier. It was because I had this account charged against the Department of the Interior, with others for extra or outside services during the past three years, and which I visited Ottawa to adjust in the early part of this year. In submitting this to the Minister of the Interior, he asked me to refer it to the Yukon Council for payment, as it was a local matter. I was appointed by Col. Steele while he was a member of the Council and in charge of the Department of Public Health for this Territory ; but while I was doing the work, which took a great deal of my time, the Council did not see fit to assign me any salary for these services, so I resigned, and soon after the new appointee received a salary of $2,000 per annum for performing the same work.

Your prompt attention to this matter will greatly oblige.

I am, sir, your obedient servant,

The Commissioner, Dawson, Y.T. W. E. THOMPSON, *M.D.*

Re Yukon Local Revenue Account : Eldorado Gusher.

AUDIT OFFICE, OTTAWA, March 9, 1903.

SIR,—I find that payments aggregating $5,127.49 have been made on account of 'Eldorado Gusher,' and charged to Yukon Local Revenue Account, and that there is no appropriation for the same.

I should be glad to know under what authority this expenditure was made.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. J. L. McDOUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., March 28, 1903.

SIR,—I have the honour to acknowledge receipt of your letter of the 9th inst., regarding payment of $5,127.49 from the local revenue, Yukon Territory, for the quarter ending December 31, 1902, on account of 'Eldorado Gusher,' and requesting an explanation of these payments.

Some miners on No. 3 A, Eldorado, in sinking a deep shaft in the expectation of discovering a second bed-rock, at a depth of 222½ feet, struck a gusher of water, which

threw out over two sluice heads. This occurred in December when the temperature was very low. The water ran down the creeks, freezing and forming glaciers and threatening great destruction to the town of Bonanza and the miners engaged in winter work on Eldorado and Bonanza. It was imperative that immediate steps should be taken to prevent the destruction of valuable property. At that time there was not a sufficient number of the members of the Yukon Council in the Territory to form a quorum, as the elected members term had expired. The Acting Commissioner, after consulting the Department of the Interior, authorized this expenditure, and it will be provided for in the Supplementary Estimates of 1903. A separate account of this expenditure was kept, as it was not considered that it could be fairly charged to our appropriations for Roads, Bridges and Public Works.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

Re Yukon Local Revenue: Quarantine Expenditure.

AUDIT OFFICE, OTTAWA, March 7, 1903.

SIR,—On August 22, 1902, you paid the White Pass and Yukon route $8,500 for maintenance and lodging 93 passengers on steamer *White Horse* while in quarantine at Dog Island from June 2 to 18, inclusive, 17 days at $500. There is a memorandum attached which indicates that this amount included $1,743.35 for wages of crew, $1,421 for meals for crew, $215 for equipment destroyed, and $462 for drugs, &c.

This is a most unusual charge, and I have to ask for full particulars in reference thereto.

Was it considered that the appropriation of $52,000 for hospitals, charity, care of indigents, quarantine, &c., was authority for this payment ?

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. J. L. McDOUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., March 24, 1903.

SIR,—I beg to acknowledge receipt of your letter of the 7th inst. *re* quarantine expenditure, Local Revenue, Yukon Territory.

The steamer *White Horse,* plying between White Horse and Dawson, arrived at Dawson on June 1 ,1902, having a severe case of small-pox on board. The steamer had a full complement of passengers, and was ordered into quarantine. The government had no means of placing the passengers and crew in quarantine if they had left the steamer, so the Commissioner arranged with the agents of the steamer to pay them $500 per day for the use of the steamer for boarding and lodging the passengers and crew and to compensate the company for the detention of the steamer. The memo. attached has nothing to do with the matter, as the agreement made was for $500 per day. This was considered the most advantageous and economical arrangement that could have been made.

It is considered that the appropriation of $52,000 for hospitals, charity, care of indigents, quarantine, &c., was authority for this payment.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

Re Local Revenue Account : Over-expenditure.

AUDIT OFFICE, OTTAWA, March 3, 1903.

SIR,—The returns of the Comptroller of the Yukon Territory for the six months ended December 31 last, show that the revenue amounted to $222,033.15, made up as follows :—

Department of Public Works account, Hunker Road....	$ 15,748 27
Dominion Government, one-half grant.....	65,500 00
Liquor license account.....	25,490 36
Liquor permits.....	110,776 69
Other fees and licenses.....	4,517 83
	$222,03315

The expenditure during the same period was $375,124.52, and the shortage from the previous year was $18,694.73. Deducting the revenue, there is still a shortage of $171,786.10, presumably borrowed from the Canadian Bank of Commerce.

One item of the expenditure is for roads, bridges, &c., $217,298.43.

The total amount appropriated by ordinance for the whole year was $369,675.

I shall be glad to know on what authority the over-expenditure was made, and how it is proposed to meet it.

I am, sir, your obedient servant,

The Secretary, Department of the Interior. J. L. McDOUGALL, *A.G.*

NOTE.—A letter of same purport was written to the Comptroller, Dawson, Y.T.

COMPTROLLER'S OFFICE, DAWSON, Y.T., March 24, 1903.

SIR,—I have the honour to acknowledge receipt of your letter of the 3rd inst., calling attention to the over-expenditure from the Local Government, Yukon Territory, for the six months ending December 31, 1902.

The reason of this over-expenditure arises from the fact that the Dominion Government undertook the construction of certain roads in this Territory during last summer, and appropriated the sum of $178,500 for this purpose. This amount was found inadequate to complete the roads, the construction of which had been undertaken, and the Local Government paid the difference and completed the work. The matter will be brought before the Federal Government, and, no doubt, a sum will be placed in the estimates to reimburse the Local Government for this expenditure. We were also called upon to disburse a considerable sum on account of the Eldorado Gusher, amounting to $5,352.49, to December 31. Some miners on No. 3 A, Eldorado, in the hope of striking a second bed-rock, sunk a deep shaft and at the depth of 222½ feet struck a gusher of water, which flowed over the creek, froze and formed glaciers, and also flooded out the miners working on the creek.

To prevent great destruction, the government was compelled to dig a trench some six miles long and keep it open until the gusher could be successfully capped.

The whole expenditure to this date is in the neighbourhood of $45,000.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

Re Local Revenue: Yukon.

AUDIT OFFICE, OTTAWA, January 10, 1903.

SIR,—There seems to have been a balance of $1,135.75 on June 30, 1901, unaccounted for by the poundkeeper at Dawson. Has this money been since paid, and if not, what action has been taken in reference thereto?

Accounts for indemnity to the members of the Yukon Council should be certified as to attendance. The regulations provide for a deduction of $25 for each day that a representative is absent from any sitting of the Council, or any committee of which he is a member, but no deductions were made in any of the accounts furnished.

Hugh McKinnon, Chief Preventive Officer, gets from time to time an advance to pay salaries and living allowances to his staff. Why should not these officers not be paid direct? On June 30 last, Mr. McKinnon had $3,000 of advances for which no vouchers have been furnished.

The sum of $1,941.75 was deducted from the pay of the men working on roads for board bills with R. R. Reid. When was this amount paid Mr. Reid?

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. J. L. McDOUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., February 4, 1903.

SIR,—In reply to the fourth paragraph of your letter of January 10 *re* the sum of $1,941.75 due to Mr. R. R. Reed for board of men employed on the Government roads, I beg to say that this matter is in litigation.

Mr. Reed left here before any settlement was made; certain amounts were garnisheed by his creditors, but no action has yet been taken.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., February 4, 1903.

SIR,—In reply to the third paragraph of your letter of the 10th ult. *re* advance made to Mr. Hugh McKinnon, Chief Preventive Officer, I beg to state that a special vote was taken for this service, and that the Chief Preventive Officer has certain discretion in the employment of his assistants. During the summer months he requires a larger number, and may have occasion to engage one or two assistants at the boundary line for a few months.

The prevention of smuggling and the detection of illicit manufacture of liquor is a secret service, and it is not considered advisable to have those employed in this work paid through my office by monthly cheques.

The advance referred to was settled on August 29, and vouchers were forwarded to you with the quarterly statement, ending September 30, 1902.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., February 4, 1903.

SIR,—I beg to acknowledge receipt of your letter of the 10th ult.

Replying to the second paragraph, *re* payment for indemnity to members of the Yukon Council, I beg to say that before making the final settlement with the members, I received a certificate from the Territorial Secretary stating the number of meetings and committee meetings attended by them. The Territorial Secretary has certified that during the two years for which the members were elected they were present at all meetings and committee meetings of the Yukon Council.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., February 4, 1903.

SIR,—I beg to acknowledge receipt of your letter of the 10th January referring to the balance due by the dog poundkeeper, Dawson, on June 30, 1901, $1,135.75.

I inclose copy of letter from Courtlandt Starnes, Inspector, commanding 'B' Division, North-west Mounted Police, dated December 3, 1901, informing the Commissioner that the poundkeeper had been sentenced to six months' imprisonment with hard labour for the misappropriation of these funds.

Since serving his sentence, he has been making up the deficit, which payments are credited to Local Revenue under the heading of 'Sundry Revenue.'

Up to January 31, 1903, he has paid $371.74, as per statement inclosed. The dog pound was transferred to the city when the Act of Incorporation was passed.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

NORTH-WEST MOUNTED POLICE, DAWSON, Y.T., Dec. 3, 1901.

SIR,—Replying to your letter of November 26, your file No. 1595, I beg to state that Inspector McDonell, who has charge of the dog pound affairs, informs me as follows :—'Return asked for has been rendered to the Comptroller of the Y. T. monthly since I took over the pound, viz., September 12. There was a shortage of $1,135.75, to be accounted by the poundkeeper, Constable Borrow, who is at present undergoing a sentence of six months H. L. for same in Dawson guard room.'

I might state that Constable Borrow has written to his relatives in England for money with which to liquidate this shortage.

I am, sir, your obedient servant,

The Commissioner, Dawson, Y.T. CORTLANDT STARNES, *Supt.*

Re Yukon Local Revenue : Mode of Payment.

AUDIT OFFICE, OTTAWA, November 3, 1903.

SIR,—In some cases the practice is followed of paying the men employed at road work by cheque. In other cases the paymaster gets one cheque for the whole amount and pays the men in cash. If at all possible, payment should be made by cheque to each person.

The pay-list for the West Dawson and Glacier Creek road for October, 1902, covered by cheque No. 3314, contains the following entry : 'H. F. McKinnon, 70 hours at 75c., $52.50, less board, $18.25, balance $37.25,' evidently an error of $3.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. J. L. McDOUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., December 22, 1903.

SIR,—I beg to acknowledge the receipt of your letter of the 3rd November *re* payments to workmen on the construction of government roads, pointing out that in some cases they are paid by cheque and in others by paymaster.

Whenever it is possible cheques are drawn payable to the order of each workman; but in some cases, where the work is a long distance from Dawson, it is necessary to make payments through a paymaster, and in these cases he gives his own cheque, and the cash is seldom paid. This is done to prevent delay, particularly in places where there is no mail service.

It is noted that there was an over-payment of $3 to H. F. McLennan, workman on the Glacier Creek road. This pay sheet was made out by a clerk temporarily employed during the rush, and his services have since been dispensed with.

I shall endeavour to procure a refund.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

Re Local Revenue : Explanations needed.

AUDIT OFFICE, OTTAWA, November 23, 1903.

SIR,—The following items seem to call for some explanations :—

July 3, 1902 : Advance to A. J. McPherson on account of survey, White Horse winter road, $1,500, which was all refunded September 20, 1902. On October 13 he was advanced $2,700 on account of road construction, and on November 8 he refunded $578.55, vouchers being furnished for the balance.

A. L. McPherson was paid $360 on June 30 for hire of four horses from June 13 to 30, 18 days at $20, $360. On July 2 he was paid $720 for horse hire, &c., made up as follows :—

To hire of four horses, June 10 to July 2, 22 days at $10 per day per horse	$880
Less cheque (as above)	360
	$520
To one horse overworked and died	200
	$720

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T. J. L. McDOUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., December 22, 1903.

SIR,—I beg to acknowledge the receipt of your letter of the 23rd November, regarding advances made to Mr. A. J. McPherson on account of survey of White Horse winter road.

I inclose you a copy of the account of advances and expenditure. It was at first the intention to make all payments for the construction of this road from the special vote known as 'The Department of the Interior Road Construction Vote,' but on July 3, when Mr. A. J. McPherson started on his survey, there were no funds available from this vote, and an advance was made to him from the local revenues of the Yukon Territory, which was afterwards refunded.

Before the construction of the road was completed, it was found that there was not sufficient money left in the road construction vote to complete this trail, and the balance necessary was paid from the local revenues of the Yukon Territory.

Referring to the payment made to Mr. A. L. McPherson for hire of horses, I may say that this account was in dispute for some time, and that the Acting Commissioner held an investigation, and it was decided to make a settlement in accordance with the report of the Engineer, a copy of which is inclosed for your information; also, copy of a memorandum from the Superintendent of Public Works on the same subject.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

Re Territorial Court—Yukon.

JUSTICE DEPARTMENT, OTTAWA, November 26, 1902.

SIR,—Referring to previous correspondence, and particularly your letter of 6th ultimo with regard to $3,267.50, proceeds of estreated recognizances recovered in the Yukon Territory, which sum has not yet come to account, I have received a reply from the Acting Commissioner, in which he states that through inadvertence the above sum was deposited to the credit of the local revenue, and that no appropriation was made in this year's estimates to refund the same to the Receiver General. He states that the matter will receive consideration when next year's estimates are prepared, and he regrets very much that it has been overlooked.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, November 27, 1902.

SIR,—I have received your letter of the 26th inst., stating that the Acting Commissioner of the Yukon writes you that no appropriation was made in this year's estimates to refund the amount of estreated recognizances ($3,267.50) that was, through inadvertance, credited to the local revenue, but the matter will receive consideration when next year's estimates are prepared.

I may say that cases are occurring from time to time, where money is deposited in error to the credit of the Receiver General, and that fact being clearly established, I have never considered it necessary even to have the authority of an Order in Council. In my opinion the Acting Commissioner is fully justified in making this refund without an appropriation.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

JUSTICE DEPARTMENT, OTTAWA, December 1, 1902.

SIR,—Referring to your letter of the 27th ultimo, with regard to $3,267.50 proceeds of estreated recognizances withheld by the Territorial Government of the Yukon, I quite agree with you that the money should be paid over immediately, and that it is not necessary for the local government to obtain an appropriation from the Council. I have written the Acting Commissioner accordingly, and asked him to deposit the money without delay.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, October 23, 1903.

SIR,—Referring to previous correspondence in reference to estreated recognizances recovered in the Yukon Territory, and particularly to your letter of December 1, 1902, I have to state that the particular amount then in question—$3,267.50—has not since come to account.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

JUSTICE DEPARTMENT, OTTAWA, October, 26, 1903.

SIR,—Replying to your letter of the 23rd inst., in regard to estreated recognizances recovered in the Yukon Territory amounting to $3,267.50, I beg to state that I have again written to the commissioner calling upon him for immediate payment of the amount in question.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

Re Sheriff's Fees, Dawson.

AUDIT OFFICE, OTTAWA, February 11, 1903.

SIR,—The return for October, received January 23, was the last to hand from the Sheriff at Dawson. The amount of the fees for that month was $533.50, and the deposit therefor was not made till December 29.

You will no doubt see the necessity of insisting that these fees be deposited in accordance with the regulations of the Treasury Board, and that the returns be promptly forwarded each month.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

JUSTICE DEPARTMENT, OTTAWA, March 30, 1903.

SIR,—Referring to your letter of the 11th February last, I have the honour to inclose copies of correspondence had with the Sheriff of the Yukon Territory, respecting his delay in making remittances of fees collected.

In view of the peculiar difficulties in adhering strictly to the Treasury Board regulations in this case, I should be glad to have any suggestions you may have to offer as to the best mode of procedure.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

JUSTICE DEPARTMENT, OTTAWA, February 13, 1903.

SIR,—The Auditor General has again called my attention to the delay in depositing fees and transmitting monthly statements of the same. He points out that your return for October last was not received here until January 23, and that the deposit was not made until December 29.

The Treasury Board regulations provide that each officer employed in the collection of public money shall make a daily deposit if the receipts amount to $25.00; otherwise whenever that sum is on hand; and that the monthly return to the department shall be mailed within five days after the close of the period which it covers.

You will be good enough, therefore, to comply with these regulations as far as possible, or if on account of the peculiar conditions of the Yukon Territory they are in any way impracticable, please specify the difficulties.

In any case I can see no justification for a delay of about two months in depositing fees.

I am, sir, your obedient servant,

Mr. Sheriff Eilbeck, Dawson, Y.T. E. L. NEWCOMBE, *D.M.J.*

DAWSON, Y.T., March 9, 1903.

SIR,—Replying to yours of the 13th inst., I beg to say:—The very matter complained of by the Auditor General has given, not only much annoyance, but almost endless clerical work. I drew Inspector Corry's attention to the matter when he was here last summer, and we went into the whole affair most fully, and as Mr. Corry is in Ottawa at present he can probably explain matters more satisfactorily than I can myself by letter.

This Bailiwick is larger in area than the province of Ontario. The N.W.M.P. handle our outside work, as they have detachments at all points where mining is conducted. Many of these points are hundreds of miles distant, and extremely inaccessible, taking weeks to get returns. We keep what is supposed to be monthly accounts with 23 different law firms, who I regret to say in many cases fail to pay promptly. I was obliged to write certain firms a very severe letter some time ago (copy attached), which had a satisfactory effect in two cases only. I am now mailing a copy of your letter to each firm. Fact of the matter, money here from October until miners commence to wash up is very scarce. The lawyers are nearly all good, but owing to peculiar conditions I really cannot avoid sympathizing with them, although I am worried by their dilatory payments.

If there is any way in the world that either you or the Auditor General can suggest to improve upon my present system or expedite matters in any way, shape or manner, I shall most willingly comply. I am satisfied from this on I shall not experience so much trouble, as your letter will help me out, and we shall be able to forward our statements and remittances more promptly hereafter.

Yours faithfully,

The Deputy Minister of Justice. R. J. EILBECK.

Re Penitentiary Revenue—Edmonton Jail.

AUDIT OFFICE, OTTAWA, May 7, 1903.

SIR,—On the March return of Penitentiary revenue, there is entered $59.30 from the Edmonton jail, being royalties on coal mined by W. H. Baldwin, from January 8 to April 8.

I have to ask for information as to this source of revenue. How is royalty on coal treated as Penitentiary revenue? What arrangement has been made with Mr. Baldwin, and how and under what authority was it effected?

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

JUSTICE DEPARTMENT, OTTAWA, May 8, 1903.

SIR,—In pursuance of a recommendation of Inspector Dawson, a lot was purchased at Edmonton, and advertisements calling for tenders for the erection of a jail have recently been issued. The title was acquired last autumn. At the date of purchase two lessees, viz., Mr. Baldwin and Mr. Milner, were operating coal mines on the property, under lease from the late owner. These leases have been extended, by direction of the Minister of Justice, until July, 1904. The lessees pay a royalty of ten cents a ton upon all coal mined by them. The royalty is collected and deposited by the agent of the Department of Justice at Edmonton. The deposit receipts are forwarded to this department, and placed to the credit of Penitentiary revenue in the usual manner.

I am, sir, your obedient servant,

The Auditor General. A. POWER, *for D.M.J.*

Commoner appointed to Senate—Mode of Calculating Indemnity.

AUDIT OFFICE, OTTAWA, November 18, 1903.

SIR,—I notice from your expenditure on account of Senate indemnity and mileage, that you have paid the Hon. Mr. Edwards the full sessional allowance of $1,500 and $5 mileage for the session of 1903.

I also notice that Mr. Edwards was paid from the House of Commons expenditure $50 for 5 days' attendance and $6.20 mileage, as a member of that House for the session of 1903.

You will see from this statement that Mr. Edwards received $1,550 for indemnity and two mileages, amounting to $11.20.

As in previous correspondence on this matter, I repeat my objection, viz., that the Act respecting the Senate and House of Commons does not, in my opinion, contemplate that any member shall draw more than one sessional indemnity together with one mileage for one session. Please call Mr. Edwards' attention to this and obtain from him a refund.

The difference in mileage, though small, requires explanation.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL, *A.G.*

THE SENATE, OTTAWA, November 27, 1903.

SIR,—I have the honour to acknowledge receipt of your communication of the 18th instant, on the subject of the amount of indemnity paid the Hon. Mr. Edwards for his attendance at the Senate during the last session of Parliament, and in answer to your suggestion that I should call on him for a refund of $55, which you claim he was overpaid, would state, as on previous occasions, in similar cases, that under the Indemnity Act, as now in force, no such interpretation as that which you place upon it can be entertained. As proof of this, let us assume that Senator Edwards had attended as member of the Commons for 30 days, and was then summoned to the Senate, his indemnity for such attendance at the lower House would have been $300. Then supposing that after 30 days' attendance at the Senate, the latter would have been prorogued, would I have been justified, under your interpretation of the above referred Act, in allowing him $1,200, by taking his attendance at the Commons into consideration? Unless I am much mistaken, I rather think you would be the first to take exception to such ruling. The Act is certainly faulty, and does not meet the present requirements, in many more instances than the one above cited; for instance, the fact of a Senator falling ill just before the commencement of a session and remaining absent till towards the end of the same may cause him a loss of over $1,000, whereas, had he fallen ill after being in attendance, if only for the opening day, no such loss would have been incurred. Until the Act is recast, I see no other way but to interpret it strictly in accordance with its wording.

I am, sir, your obedient servant,

The Auditor General. SAM'L E. ST. O. CHAPLEAU, *C.S.*

AUDIT OFFICE, OTTAWA, November 14, 1903.

SIR,—I notice in Mr. Carleton's petty cash accounts a charge of $1 for cab to Sir John Bourinot's funeral. This account does not state for whom the service was

rendered. This amount should not be made a charge against the government, but should be paid by the party or parties driven. Please cause a refund of the amount to be made.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, December 10, 1903.

SIR,—I have to remind you that I have not received an answer to my letter of November 14, relative to a payment for cab to Sir John Bourinot's funeral, or any notice that a refund of the amount in question has been made.

I am, sir, your obedient servant,

The Clerk of the Commons. J. L. McDOUGALL, *A.G.*

Payment for Leather Trunks for Members not Legal.

AUDIT OFFICE, OTTAWA, November 12, 1903.

SIR,—I notice in S. & H. Borbridge's accounts charges for 7 stateroom trunks at $25 each, distributed as follows:—

Senators Frost, Kerr (Toronto), Coffey, Tessier, Domville, Cloran and David.

As regards this expenditure of $175, I have to repeat my objections of last year, and previous years, that neither the report of the committee referred to nor the terms of the vote 'Salaries and contingencies,' from which the expenditure is made, are a sufficient authority for the payments.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL, *A.G.*

THE SENATE, OTTAWA, November 17, 1903.

SIR,—I have the honour to acknowledge receipt of your letter of the 12th instant.

With regard to the concluding paragraph of your letter, I have only to remark that the Order of the Senate with reference to the supply of leather trunks has not been revoked.

I am, sir, your obedient servant,

The Auditor General. SAM'L E. ST. O. CHAPLEAU, *C.S.*

Revised Statutes, chap. 29, sec. 33, enacts that 'no payment shall be authorized by the Auditor General in respect of work performed or material supplied by any person in connection with any part of the public service of Canada, unless, in addition to any other voucher or certificate which is required in that behalf, the *officer under whose special charge such part of the public service is,* certifies that such work has been performed, or such materials supplied, as the case may be, and that the price charged is according to contract, or if not covered by contract, is fair and just.'

You will notice that the vouchers referred to above are not so certified, as required by the statute. Please cause the omission to be rectified, and return the vouchers as soon as possible.

The defects to which I refer are mainly those with which I dealt in a letter of April 18, 1902, to your predecessor, the late Sir John Bourinot, and which, by the answers which were received from him and the Sergeant-at-Arms, I expected would be removed in this year's accounts.

For the report of this office for Parliament the branch of your service for which the expenditure is made should be indicated in each case. I observe that some of the accounts have not been paid as promptly as they usually are.

I am, sir, your obedient servant,

The Clerk of the Commons. J. L. McDOUGALL, *A.G.*

HOUSE OF COMMONS, OTTAWA, May 25, 1903.

SIR,—I beg to acknowledge receipt of letter from your office of the 20th instant, together with the vouchers referred to therein. I note your remarks regarding the proper certification of the same. I will make inquiry into this subject at once.

I am, sir, your obedient servant,

The Auditor General. THOS. B. FLINT, *C.H.C.*

HOUSE OF COMMONS, OTTAWA, June 5, 1903.

SIR,—I return herewith the vouchers sent to this office with your favour of May 20.

I notice what you say in regard to the certificate, which, having now been made on these accounts by Mr. L. Dubé, Chief Messenger Service and Housekeeper, I trust will be satisfactory.

I may add that these accounts have been passed by the Commissioners on Internal Economy of the House of Commons.

I inclose a copy of resolution of the Internal Economy Commissioners bearing on this subject, and dated May 13, 1902.

I am, sir, your obedient servant,

The Auditor General. THOS. B. FLINT, *C.H.C.*

COPY.

The question of the purchase of supplies for the Sergeant-at-Arms' Branch having come up for consideration, the Commissioners record their opinion that in the future all such expenditures should be made under the direction of Mr. Speaker and the Internal Economy Committee.

T. B. FLINT,

May 13, 1902. *Secretary, Board of Internal Economy, H. of C.*

AUDIT OFFICE, OTTAWA, July 3, 1903.

SIR,—Let me ackowledge the receipt of your letter of the 5th ult., with inclosed accounts and copy of resolution of the Internal Economy Commissioners, relative to the certification of certain accounts of the House of Commons. In reply, I have to state that, in my opinion, the certificate of Mr. Dubé on the accounts in question and similar accounts charged to the same appropriation, while adding to the strength of the voucher, does not meet the requirements of section 33 of the Consolidated Revenue and Audit Act, which states that it is *the officer under whose special charge such part of the public service is* who shall certify that the work has been done or the materials supplied, as the case may be, and that the prices are fair and just. The officer in this case must be the Sergeant-at-Arms, indicated by the wording of the vote from which the expenditure is made, viz., 'Sergeant-at-Arms' estimate.' The Rules, Orders, &c., of the House of Commons (par. 107) also state that the Sergeant-at-Arms shall be responsible for the safe-keeping of the furniture and fittings of the House of Commons, and for the conduct of the messengers and inferior servants of the House.

Whatever other certificate may be required, it is quite certain that that of the Sergeant-at-Arms is necessary as to the receipt of materials or that the services have been performed, as well as to the fairness of the price.

You have overlooked that part of my letter of May 20, as to the necessity of indicating on all of the accounts the particular service for which the expenditure was made, as well as that pointing out the delay in payment of a part of the accounts.

The accounts are returned herewith for completion.

I am, sir, your obedient servant,

The Clerk of the Commons. J. L. McDOUGALL, A.G.

HOUSE OF COMMONS, OTTAWA, July 6, 1903.

SIR,—I have just received your communication of the 3rd inst., and accounts inclosed. The same will have immediate attention.

I am, sir, your obedient servant,

The Auditor General. THOS. B. FLINT, *C.H.C.*

AUDIT OFFICE, OTTAWA, July 21, 1903.

SIR,—I should like to have, as soon as possible, the accounts sent to you for completion under my letter of the 3rd instant.

I am, sir, your obedient servant,

The Clerk of the Commons. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, October 5, 1903.

SIR,—I have to again remind you that I have not received the accounts as asked for in my letters of July 3 and 21. Your letter of July 6 stated that this matter would have immediate attention.

I am, sir, your obedient servant,

The Clerk of the Commons. J. L. McDOUGALL, *A.G.*

HOUSE OF COMMONS, OTTAWA, October 7, 1903.

SIR,—In reply to your favour of the 5th instant, asking for the accounts referred to in your letters of July 3 and 21, I beg to say that I return the said accounts herewith.

These accounts have all been approved and certified by the Board of Internal Economy of the House of Commons. As Secretary of the Board I beg to certify to that fact.

I observe that they are initialled by His Honour the Speaker and further certified by myself as Clerk of the House, and by the Superintendent of Messenger Service and Housekeeper.

I communicated to you some time since a resolution of the Board of Internal Economy of the House of Commons, adopted on May 13, 1902, to the effect that in the future the purchase of supplies for the Sergeant-at-Arms' Branch of the House of Commons should be made under the direction of Mr. Speaker and the Internal Economy Committee.

By virtue of that resolution, the certificate of the approval and confirmation of these accounts by the Board of Commissioners settles the question as to their propriety. The Honourable the Speaker holds that the expenditures of the House of Commons are not to be regulated by the Consolidated Revenue and Audit Act, which does not, in his view, apply to the House of Commons. The expenditures of the House are regulated solely by the Acts respecting the House of Commons, which is not to be considered technically as a 'public service' within the meaning of the Revenue and Audit Acts.

The audit of the accounts of the House of Commons by the Auditor General is, I understand, undertaken not by virtue of any parliamentary enactment, but merely

by reason of the recommendation of the Committee of Public Accounts, adopted by the House of Commons in the session of 1880. Previous to that date the Commissioners audited the accounts of the House themselves, or had them audited under their own directions. The transfer of the audit did not, it is contended, affect the power of the Commissioners to direct purchases and payments, to approve and confirm accounts when presented and laid before them. It is, therefore, argued, that these accounts, having been incurred by order of His Honour the Speaker, approved and confirmed by the Board of Internal Economy, should be accepted by the Auditor as correct without further certificates than such as are already appended thereto.

The rule of the House of Commons referred to in your letter of July 3 last past, does not apply to the case. They merely direct that the Sergeant-at-Arms shall be responsible for the *safe-keeping* of the Mace, furniture and fittings of the House, and for the proper conduct of the messengers and servants.

If the Commissioners of Internal Economy had power to adopt the resolution of May 13, 1903, then they have the power to direct what certificates are necessary for the due authentication of the accounts of the House of Commons.

I am, sir, your obedient servant,

The Auditor General. THOS. B. FLINT, *C.H.C.*

AUDIT OFFICE, OTTAWA, December 9, 1903.

SIR,—I duly received your letter of the 7th ultimo, in reply to mine of July 3 and 21.

I do not see my way to adopting your view that the Consolidated Revenue and Audit Act does not apply to the auditing of the expenditure of the House of Commons, as it does to that of the executive departments of the public service.

The Board of Internal Economy occupies, in my opinion, the position with regard to the House of Commons outlay that the Minister who is at the head of a department does with reference to his department. The Sergeant-at-Arms, as I view it, must take the directions from the Board of Internal Economy as to the goods which he is to purchase, the kind, and the places where he is to buy—in fact, in everything, apparently, except in two respects, that is with reference to whether (1) the goods have been received and (2) the value. With reference to these two points he takes orders from no person. He cannot, with respect to the two points, put the responsibility on anyone else.

With reference to your contention that the Audit Act does not apply, I beg to say that, although it was maintained by Mr. Wicksteed, the late law clerk, that, before the specific action of Parliament in assigning to the Audit Office the duty of auditing the expenditure of Parliament, the Audit Act did not apply to the expenditure of Parliament, I do not think that it was because the view adopted by Mr. Wicksteed was generally taken in Parliament as being at all certain, that the then Speaker moved to have a resolution of Parliament specifically declaring that it should apply.

Then, if it was intended by Parliament that the Audit Act should not apply, it would have been so laid down in the resolution.

The words of the 33rd section make it quite clear that it is the head of the branch which has the duty of attending to a particular service who is to certify that the goods have been received and that the prices are fair and just. The Sergeant-at-Arms has the messenger staff under his control, and, therefore, the chief messenger. If it had been intended by Parliament that the department should have the right to employ any person who seemed suitable for the service, the official to do the work would not have been determined by the Audit Act.

I am, sir, your obedient servant,

The Clerk of the Commons. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 14, 1903.

SIR,—I notice in Mr. Dubé's statement of petty expenses, housekeeper's branch, House of Commons, a charge of $20.50 for cab-hire for the funeral of the late Sir John Bourinot.

This account should not be made a charge against the government, but should be paid by the parties driven. Please cause a refund of the amount in question to be made.

I am, sir, your obedient servant,

The Clerk of the Commons. J. L. McDOUGALL, *A.G.*

HOUSE OF COMMONS, OTTAWA, November 16, 1903.

SIR,—I beg to acknowledge receipt of your favour of the 14th instant, relative to Mr. Dubé's statement and charge of $20.50 cab-hire for funeral of the late Sir John Bourinot.

I will at once call Mr. Dubé's attention to this matter.

I am, sir, your obedient servant,

The Auditor General. THOS. B. FLINT, *C.H.C.*

AUDIT OFFICE, OTTAWA, December 10, 1903.

SIR,—I have to remind you that I have not received notice that any further action has been taken on my letter of November 14, and yours of November 16, relative to a payment for cabs at Sir John Bourinot's funeral, or any notice that the amount in question has been refunded.

I am, sir, your obedient servant,

The Clerk of the Commons. J. L. McDOUGALL, *A.G.*

YARMOUTH, N.S., December 15, 1903.

SIR,—I have to acknowledge receipt of your valued favour of December 9, inst., and to say that I will most carefully consider the points as therein put by you.

I will also bring the same to the attention of His Honour the Speaker.

I am, sir, your obedient servant,

The Auditor General. THOS. B. FLINT, *C.H.C.*

YARMOUTH, N.S., December 17, 1903.

SIR,—In reply to your favour of the 10th instant,, with reference to an account for the payment for cabs at the obsequies of the late Clerk of the House of Commons, I beg to say that upon inquiry I found the same had been provided upon the order of His Honour the Speaker to Mr. Dubé. Mr. Speaker, in fact, wrote to me to that effect. As this circumstance occurred before I was Clerk, I would suggest your communicating with Mr. Speaker on the subject.

I have no doubt but that the Committee on Internal Economy would approve of the expenditure if the matter were brought to its attention.

I have no idea upon whom to call to refund the amount, nor any means to enforce the same.

I would suggest letting the matter stand in suspense for a while.

I am, sir, your obedient servant,

The Auditor General. THOS. B. FLINT, *C.H.C.*

House of Commons—Re Fees and Charges on Private Bills.

SIR,—I have received your statement of the receipts and expenditure in connection with Private Bills. The total receipts you show to be $30,921.57. of which $29,816.12 was credited to 1902-3, and $1,105.45 to 1903-4. You furnished, in March last, a statement of the receipts during February, but none subsequently. In consequence, I am unable to determine what items in your statement belong to 1902-3 and what to 1903-4. Kindly give me the requisite particulars at as early a date as possible.

You show disbursements amounting to $7,597.48, but only $4,649.88 of this amount is charged up in the accounts of 1902-3, and part of the balance has not yet been charged to 1903-4.

Your statement does not give the date of receipt—information necessary for audit purposes.

I assume that the Printing Bureau furnish statements showing the charges for printing each Bill. These statements should be furnished to this office, as well as the other information required. The counterfoils of the receipts issued should be furnished.

The rules and regulations in reference to the receipt, entry and accounting for public moneys have been established by Treasury Minute (see Audit Report, 1901-2, page A—23).

I am, sir, your obedient servant,

E. P. HARTNEY, Esq., Exr. Private Bills, H. of C. J. L. McDOUGALL, *A.G.*

HOUSE OF COMMONS, OTTAWA, November 19, 1903.

SIR,—In reply to yours of 17th instant, acknowledging receipt of statement showing receipts and expenditure *re* Private Bills, I would point out that these fees apply to the whole session of 1903, and not to the year 1902-3, and any attempt to divide the same by crediting part to 1902-3 and part to 1903-4 must be misleading, and will cause confusion, and as regards disbursements is impracticable, for in such case the moneys available would be insufficient to meet the necessary expenditure, comprising refunds, &c.

A statement showing the date of receipt of money in each case can be furnished you; the counterfoils of the receipts issued are at your service, but I must ask that they be returned to me with as little delay as possible.

The charges levied for printing each Bill are based on a scale supplied by the Printing Bureau; translation is charged at the rate of $1.50 per page, or fraction of page.

I am, sir, your obedient servant,

The Auditor General. E. P. HARTNEY, *Examiner Private Bills, H. of C.*

AUDIT OFFICE, OTTAWA, November 21, 1903.

SIR,—I have received your letter of the 20th, inclosing detailed statement of fees received for Private Bills from March 1 to the close of the sesssion; also, the counterfoils of the receipts issued.

As requested, I am now returning the latter.

The numbers on these receipts are written. They should be printed.

The statement furnished is incomplete, in so much as it is not added up, and the deposits in acquittance are not given.

I trust that in future you will furnish a monthly statement, made up in accordance with the Minute of the Treasury Board.

I am, sir, your obedient servant,

E. P. HARTNEY, Esq., Exr. Private Bills, H. of C. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, May 3, 1903.

The Senate—Re Refund of Fee on Private Bill.

SIR,—The regulations of the Senate in reference to Divorce Bills provide that the fee of $200 shall be subject to the order of the House.

Under authority of this regulation, it has been the practice to refund the fee on any Bill not passed during any particular session. It does not seem evident, however, that this regulation went any further.

The resolution of the House passed on April 29 makes no reference that it applies to a fee paid in 1901, and there is nothing to show that the House was cognizant of the point that the fees had not been paid in the current session.

No explanations seem to have been furnished why the refund was not made in 1901.

The usual course followed, when it is desired to refund fees or tolls paid some years previously and which have been trasferred to credit of Consolidated Fund, is to have an item to cover voted by Parliament.

In my letter of the 2nd I had reference to the fees collected during the present session.

I shall be glad to hear from you further on the subject, and, in the meantime, I am holding your application.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL, *A.G.*

THE SENATE, OTTAWA, May 6, 1903.

SIR,—Replying to your communication of yesterday, received this day, in further reference to the above subjeet, I beg leave to state that there has been no regular practice followed as regards the time for refunding said fees. Fees paid during one session have frequently been refunded by a resolution passed at a subsequent session (see Bourinot, pages 730 and 731).

The resolution of the Senate of the 29th of last month should, perhaps, have mentioned the year in which this Bill was introduced. This office, however, has supplied this deficiency, which, I think, should be sufficient. The mention of Stovel's name fixes the date.

No explanations are required in cases of this kind—it is always agreed to as a matter of right.

The usual course followed is not, as you state, to have an item put in the Estimates to cover the amount to be refunded (see Journals of the House of Commons of 1875, page 170, and 1882, page 207).

I could have paid out the amount in question from moneys received from that source this year, now in my hands, but I considered the course I pursued to be the most regular.

I am, sir, your obedient servant,

The Auditor General. SAM'L E. ST. O. CHAPLEAU, *C.S.*

AUDIT OFFICE, OTTAWA, May 11, 1903.

SIR,—I am in receipt of your letter of the 6th instant, in further reference to your application for a refund of the fee paid in 1901 on the Stovel Bill.

Please give a few instances of fees paid in one session refunded in another.

I am raising no objection to the refund of fees paid in the same session.

When I stated, in the previous letter, what the usual practice is, I referred to the rule with reference to the Consolidated Fund (into which the Stovel money has gone), that it is drawn upon only under the authorization of the three branches of the legislature, that is, by Act of Parliament.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL, *A.G.*

THE SENATE, OTTAWA, May 12, 1903.

SIR,—Acknowledging the receipt of your letter of the 11th instant, I beg to state that I find in the Journals of the House of Commons (March 5, 1875, page 169) the following entry :—

'On motion of Mr. Jetté, seconded by Mr. Laflamme, *Ordered,* That the fee paid on the Bill to incorporate the Montreal Steam Ferry Company, introduced during the session of 1874, and afterwards withdrawn, be refunded'; and in the same Journals of March 24, 1882, the following entry:—

'On motion of Mr. Platt, seconded by Mr. Beatz, *Ordered,* That, as it appears from the Journals of the Senate of March 14, 1881, that the Bill to incorporate the Don River Improvement Company was withdrawn at the request of the promoters of the Bill, the Accountant of this House be authorized to refund the fee and charges paid thereon, less the charges for printing and translation.'

I have no doubt that there are other cases, but these two are sufficient to establish a precedent.

I, therefore, hope there will be no further delay in issuing a cheque to refund payment of this fee.

I am, sir, your obedient servant,

The Auditor General. SAM'L E. ST. O. CHAPLEAU, *C.S.*

P.S.—In my letter of the 6th I referred to the two above mentioned cases (but you seem to have overlooked them) as mentioned in Bourinot, pages 730-731.

S. E. ST. O. C., *C.S.*

AUDIT OFFICE, OTTAWA, May 22, 1903.

SIR,—I have received your letter of the 12th instant, in further reference to your application for refund of fee paid on the Stovel Divorce Bill, introduced the session of 1901.

Though not authorized by statute, as far as I am aware, yet, as it has been the practice of the Senate and the House of Commons to remit, by resolution, the fee on any Bill not passed, I feel justified in passing this application if a resolution of the Senate should state that the fee was paid in the session of 1901, and give the reason why it was not then refunded.

In future, however, I shall be unable to pass an application for the refund of a fee paid in a previous session, and transferred to Consolidated Fund, without a vote of Parliament.

The current receipts should not, under any circumstances, be used for such a purpose.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL, *A.G.*

THE SENATE, OTTAWA, May 22, 1903.

SIR,—I have the honour to acknowledge receipt of your letter of this date.

When the Senate reassembles next week, I shall request the Hon. Mr. Perley to supplement his motion, of April 29, in the manner indicated by you.

I cannot agree with the two last paragraphs of your letter, for the reason that the fees in question are collected under Rule 108 of the Senate, subject to revision or revocation by the Senate, or to any Order which the Senate may pass at any time, and not under an Act of Parliament. The Order of the Senate in this case is a direct instruction to myself to refund, which I am in duty bound to obey; but, the money having been collected at a previous session, I deemed it more proper to retire it from the fund into which it had been placed.

I am, sir, your obedient servant,

The Auditor General. SAM'L E. ST. O. CHAPLEAU, *C.S.*

Advances not promptly or properly accounted for.

AUDIT OFFICE, OTTAWA, April 22, 1903.

SIR,—I beg to call your attention to an account of disbursements made by Mr. W. C. Gordon of your department, recently sent me, in connection with certain investigations into steamship matters held at Quebec last September, and to point out that, though these investigations were concluded before the end of that month and all the expenditure in connection with them, so far as Mr. Gordon's advances were concerned, completed at the same time, it is only now, after a lapse of seven months, that the detailed account is sent me and the balance of the advances given to Mr. Gordon in September, amounting to $78.35, deposited to the credit of the Receiver General.

Kindly inform me, at your early convenience, that you have notified each of the officials of your department that when advances for a trip are made, an account and a deposit of the unexpended amount are expected immediately after the end of the trip.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, May 19, 1903.

SIR,—With reference to certain accounts—vouchers 8793, 11053, 12916 and 16064—recently sent me in support of advances made during the current fiscal year to Commander Spain to cover travelling expenses, I beg to bring to your notice the following charges, which call for explanation :—

Four days at Halifax at $2.50, $10. The actual expenses, supported by vouchers, should be given.

Extra cost when snowed up for four days, for different things, $20. The items of expenditure should be given in detail.

Fur coat, $100. This is not a proper charge. It is not supported by the receipted account of the merchant from whom it was purchased. Please let me know your reasons for having allowed an expenditure of this nature. What disposition has been made of the fur coat, which Captain Spain states has been returned to the department?

Vehicles at St. John, calling at Government offices..... $ 6 00

Boat hire and men inspecting twelve sealing vessels 12 00

Accounts should be given in support of these charges, and they should be defined more minutely, such as the number of times, the period of employment and the rate of pay.

Snowed up for two days in train, additional expense, $7. The items of expenditure should be given in support of this charge.

I shall be obliged if you will give this matter your early attention.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, January 14, 1904.

SIR,—In reference to the travelling expenses of Commander Spain, I have to inform you that the department considers the charge of $10 for four days at Halifax a reasonable one—in fact, it is a $1 a day less than the ordinary per diem rate in that city.

In regard to the extra cost when snowed up for four days: This happened on the Newfoundland railway, between Port Aux Basques and St. John's, and the $20 was expended in obtaining provisions from small farm houses or shanties along the way. It was impossible to get receipts for the different amounts.

In reference to the vehicles at St. John's, it was necessary for Commander Spain to visit all the different shipping offices and government offices at that place, in regard to the chartering of a steamer for the Hudson Bay expedition, and also in connection with the naval reserve, and this amount was expended for cab hire.

The amount of $12 was for inspecting the different sealing steamers anchored in St. John's harbour, which occupied three days, and was given to the captain of the steam tug, which was placed at Captain Spain's disposal, as a gratuity to himself and crew for the work done.

In regard to the fur coat: As Captain Spain had to visit St. John's, Newfoundland, in the depth of winter, a journey of about 650 miles over a narrow gauge railway through Newfoundland, it was absolutely necessary that he should be provided with a fur coat, and the minister approved of this. The coat is now in possession of the department.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, January 19, 1904.

SIR,—I have the honour to acknowledge the receipt of your letter of 14th instant, in explanation of certain charges in Commander Spain's account of travel to which I called your attention some time ago.

The fact that the department considers a charge of $10 for four days at Halifax a reasonable charge for board is not sufficient evidence that it was paid. The usual proof of payment should be given.

In regard to the several charges for which you say Commander Spain found it impossible to obtain vouchers, I beg to point out that the absence of such vouchers does not obviate the necessity of giving accurate details. I presume Commander Spain kept a daily record of the amounts he spent for provisions, &c., while on the snow-bound train in Newfoundland, and of any other small expenses of this nature. This record, certified by Commander Spain and approved by yourself, should be sent me. I am still of opinion that the charge of $100 for a fur coat is not a proper charge on the appropriation, and should be refunded by Com. Spain. I would remind you I have not received a receipted voucher for this payment. May I ask what disposition you purpose making of this coat? Why do you keep it in the department instead of disposing of it at once?

I am, sir, your obedient servant,

The Deputy Minister Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Incomplete and Uncertified Vouchers.

AUDIT OFFICE, OTTAWA, May 27, 1903.

SIR,—I beg to return the inclosed account rendered by Olmsted & Hurdman for three watches, $183, that you may have it certified by the proper officer of your department as to the receipt of the watches and the reasonableness of the price paid. Please

have marked on it also the names of the seamen to whom they were given as rewards for saving life.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, December 28, 1903.

SIR,—I beg to call your attention to the accounts rendered by A. Theriault, employed at the Marine warehouse on Sussex street during last year. These accounts aggregate a charge for cartage of $223.10. Some explanation of this charge should be given. In case of sending goods by railway or receiving them at the stores, do not the railway companies attend to the cartage ? At the end of the year, June 30, 1903, Mr. Theriault had government money unaccounted for to the amount of $95. Of this sum, $80 had been held by him from the year 1900-1 and $10 from 1901-2. I wish that you would cause Mr. Theriault to close these balances without delay. Mr. Theriault's accounts should be submitted to the Chief Engineer for certificate.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Installing Electric Lights in Fishery Exhibit.

AUDIT OFFICE, OTTAWA, May 22, 1903.

SIR,—I beg to bring to your notice a payment of $720 made during the current fiscal year to the Empire Electric and Manufacturing Company on account of installing electric lights in the Fishery Exhibit. I presume that the building referred to is the one used for fishery purposes on O'Connor street, and, if so, I shall be obliged if you will let me know the reason for not having these lights installed in the usual way, by requisition on the Department of Public Works.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, January 13, 1904.

SIR,—I beg to bring to your notice a payment of $1,120 made during last year to the Empire Electric and Manufacturing Co., Ottawa, for installing electric lights in the Fisheries Exhibit. Of this amount, $720 was paid from the appropriation for Fish-breeding and $400 from the vote for Canadian Fishery Exhibit. Please let me know your reasons for this division. It seems to me the charge for installing electric lights is not a proper one on either appropriation, as such work should be done by the Department of Public Works, as pointed out in my letter of May 22, 1903.

Please give this matter your early attention.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Removal Expenses and Salary to Lieut. Reginald Salmon.

AUDIT OFFICE, OTTAWA, December 4, 1903.

SIR,—I beg to ask for an explanation of a payment of $208.53 to Lieutenant Reginald Salmon, made during last year, to cover his removal expenses from England to Canada on the occasion of his appointment as Chairman of the Examiners of Masters and Mates.

There is no authority to pay this claim in the Order in Council appointing him.

I notice also that you have allowed his salary to run from the date of the Order in Council, January 30, 1903, instead of from the date of his reporting for duty in the month of February following.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, December 28, 1903.

SIR,—I beg to acknowledge the receipt of your letter of the 4th instant, asking for an explanation of a payment of $208.53 to Captain Reginald Salmon, made during last fiscal year, to cover his removal expenses from England to Canada on the occasion of his appointment as Chairman of the Board of Examiners of Masters and Mates ; and also as to why his salary was paid from the date of the Order in Council appointing him, namely, 30th January, 1903, instead of from the date of his reporting for duty in the month of February following.

In reply, I am to inform you that on the 12th January last Captain Salmon was advised by cable that his appointment as Chairman of the Board of Examiners of Masters and Mates had been approved, and was instructed to leave for Halifax, and he thus became an employee of the department from that date. Although Captain Salmon was advised of his appointment on the 12th January, his salary was only paid from the date of the Order in Council, which was considered just, as he had to sever his connection with his former employers.

With reference to the removal expenses, I might explain that as his effects consisted mostly of his library and instruments, which were required in the performance of his duties, and further, as Captain Salmon was an officer of this department before leaving England, his removal expenses were allowed on these grounds.

A Treasury Board Order will be procured confirming these payments.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Expenditure not charged to the proper Appropriations.

AUDIT OFFICE, OTTAWA, March 30, 1903.

SIR,—I find that, so far, in the current fiscal year there has been no charge made on the votes for the following services :—

Wages of crew and maintenance of Lurcher's Shoal Lightship ; construction and equipment of a steel lightship for Lurcher's Shoal ; maintenance of buoy service between Montreal and Kingston ; salary of U. P. Boucher, Assistant Engineer in Charge of Aids to Navigation between Platon and Montreal ; additional aids to navigation

generally on St. Lawrence route, including the purchase of a steamer for tidal and surveying purposes.

As the vote for construction of lighthouses is overdrawn to a considerable amount, I presume some payments have been made from it which properly belong to one of these appropriations. I shall be glad if you will have this matter looked into and cause instructions to be issued to the clerks of your department concerned, so that in future payments may be made in the first instance from the proper appropriations.

Please ask for the necessary transfers of any payments that have been improperly charged during the current year.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, April 3, 1903.

SIR,—I have to acknowledge the receipt of your letter of the 30th ultimo, stating that you find that so far in the current fiscal year there has been no charge made on the votes for the following services :—

Wages of crew and maintenance of Lurcher Shoal Lightship ; construction and equipment of steel lightship for Lurcher Shoal ; maintenance of buoy service between Montreal and Kingston ; salary of U. P. Boucher, Assistant Engineer in Charge of Aids to Navigation between Platon and Montreal ; additional aids to navigation generally on the St. Lawrence route, including the purchase of a steamer for tidal and surveying purposes.

And, in reply, I am to inform you, first, with reference to the wages of crew and maintenance of Lurcher Shoal Lightship and the equipment of a steel lightship, that no amount has yet been paid, as the contract for the building of a lightship has only lately been completed with the Polson Iron Works, of Toronto. The lightship is now under construction.

In respect to the maintenance of buoy service between Montreal and Kingston, I may say that after the main estimates of last year were presented to Parliament, the Department of Railways and Canals transferred their buoy steamer *Scout* and their gas buoys, showing the approaches to the canals, to this department, and the supplementary vote was asked for their mainenance. As this service is part of the maintenance of lights and buoy service of the Dominion, the supplementary vote in question was added to the main vote, as it was not considered advisable to open a separate account for the buoy service between Montreal and Kingston.

With reference to the salary of Mr. U. P. Boucher, Assistant Engineer in Charge of the Aids to Navigation between Platon and Montreal, I am to inform you that previously Mr. Boucher's salary was charged to Maintenance of Lights for Quebec, but as it was found advisable to appoint him at a stated salary, an Order in Council issued, and his salary was voted. This amount also was added to the vote for Maintenance of Lights.

With reference to the additional amount for aids to navigation generally, I am to inform you that after the regular vote for construction of lights, which was placed in the main estimates, it was found that other aids were required, viz. : automatic and gas buoys,, tank for gas, construction of lighthouses and lighthouse piers, and a supplementary vote was asked for. As this amount was for the same purpose, viz., construction, the amount was added to the regular construction vote.

With reference to the purchase of the steamer included in the amounts, this is also for aids to navigation, as the ship is intended for tidal service in the St. Lawrence from Quebec to Belle Isle.

If you will refer to the main estimates, presented to Parliament for the year 1903-4, page 61, for Maintenance and Repairs to Lighthouses, and also for Construction of Lighthouses, you will find the full amounts voted last year in the proper column, showing how the several votes are to be applied, and I may add that all the expenditure in question was discussed and anticipated by council and the amount voted was to cover same.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, April 7, 1903.

SIR,—I have the honour to acknowledge the receipt of your letter of the 3rd instant with reference to the votes in the Supply Bill of the current fiscal year, to which I called your attention in my letter of the 30th ultimo, against which no charges have yet been made.

These votes are separate and distinct provisions made by Parliament for specific purposes, and as such they must be administered by the department having charge of them under the authority of the Governor in Council.

It is not discretionary with the department to treat them separately or as parts of other votes; the vote, for instance, for Maintenance of Buoy Service between Montreal and Kingston is as distinct from the vote for Maintenance of Lighthouses as the appropriation for Ocean and River Service is from that for Lighthouse and Coast Service.

It is necessary, therefore, that the transfers I have asked to be made should be applied for at once, so that the appropriations against which several payments are now being illegally charged may not be overdrawn. One of these appropriations—that for Construction of Lighthouses—is now overdrawn to a considerable amount, so that I shall not be able to certify to a renewal of your credit until the several entries causing this overcharge have been properly adjusted.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, April 11, 1903.

SIR,—I have the honour to acknowledge receipt of your letter of the 7th instant, with further reference to the votes in the Supply Bill of the current fiscal year for Maintenance of Buoy Service between Montreal and Kingston; the salary of Mr. U. P. Boucher, Assistant Engineer in Charge of Aids to Navigation between Platon and Montreal, and also the Aids to Navigation in general on the St. Lawrence route, requesting that a transfer of any payments charged to these votes be made, and, in reply, I am to inform you that steps will be taken to have the necessary transfers made.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, May 19, 1903.

SIR,—I have the honour to acknowledge receipt of your letter of the 16th instant, stating that the appropriation ledger of your office shows that this department's letter of credit expenditure up to April has overdrawn the appropriation, viz.:—

Dominion steamers	$29,566 62
Investigation into wrecks	29 73
Tidal service	815 49
Maintenance and repairs to lighthouses	21,112 94
Marine hospitals	433 10

And, in reply, I am to inform you that the appropriation ledger of this department shows the following appropriations and expenditure up to the 30th April last, viz.:—

Dominion steamers	$200,000 00
Supplementary vote	25,000 00
Refund, *Quadra*	3,072 50
Other refunds	908 99
	$228,981 40
Expenditure	228,993 52
Showing an overdraft of	12 12

In the matter of Dominion steamers, I may say that the department intends to transfer from winter mail service to the steamer *Stanley* account the balance of the winter mail service appropriation, as the mails had to be transferred from the *Stanley* after she was caught in the ice, it being the contention of the Finance Minister and the late Minister that such a transfer could be made.

With reference to Maintenance of Lights, the appropriation ledger of the department shows the following appropriations and expenditure :—

Maintenance and Repairs to Lighthouses	$250,000 00
Supplementary for Kingston Buoy Service	15,000 00
Salary of U. P. Boucher, attending Buoy Service between Montreal and Platon	1,500 00
Refunds	462 17
	$266,962 17
Expenditure	271,575 11
Showing an overdraft of	$ 4,612 94

In this connection, I am to inform you that the overdraft was unavoidable, and that steps will be taken to place an amount in the supplementary estimates of the current year to cover the same.

With reference to the vote for Tidal Service, this department's ledger shows an overdraft of $814.23. This is owing to the expenses incurred in fitting out the tidal steamer *Gulnare* for the summer work. This vessel is now in Halifax and will leave for Cape Race this week. An amount will be placed in the supplementary estimates to cover the overdraft, as well as to meet the expenses for the balance of the fiscal year.

With reference to the vote for Marine Hospitals, the appropriation ledger of this department shows the following appropriations and expenditure :—

Appropriation	$38,000 00
Supplementary	12,000 00
	$50,000 00
Expenditure	38,433 10
Leaving an available balance of	$11,566 90

And with reference to Investigations into Wrecks, I find that there is an overdraft of $29.73. This was unavoidable, owing to the large number of investigations held during the year, and, in this connection, I may say that this department will also require a supplementary vote for the current year.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, May 26, 1903.

SIR,—I have the honour to acknowledge the receipt of your letter of the 19th inst., with reference to certain appropriations covered by your letter of credit to which I called your attention on the 16th inst. as being overdrawn.

In connection with these overdrafts, I beg to remind you that under no circumstances may an official of the government entrusted with the expenditure of parliamentary appropriations exceed the amount which Parliament has provided for any work or service. In case of emergency or disaster affecting the interests of the country, the law makes special provision in case Parliament should not be in Session at the time, so that the assertion that the expenditure 'was unavoidable,' is no justification for the payment of money for which there was no parliamentary appropriation.

While dealing with this matter, I beg to bring to your notice your letter of the 11th ult., in which you say that certain transfers affecting appropriations covered by your letter of credit, to which I had previously called your attention, would be applied for, and to point out that the necessary application to enable me to make these transfers has not yet reached this office.

As the vouchers sent me in support of your expenditure during the current fiscal year are now being arranged under the headings of the various votes under the control of your department, I shall be obliged if you will give this matter your early attention. Any further delay in making these transfers will be a source of much inconvenience and trouble in the examination and audit of the accounts.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, December 24, 1903.

SIR,—I beg to bring to your notice voucher 17586 rendered by Mr. W. C. Gordon, for travel and other expenses in connection with investigations into the standing of the steamers *Iberian, Protector* and *Stord,* amounting to $501. This amount is charged against the vote for Fisheries Protection Service.

It seems to me that it is improperly so charged, and I shall be obliged if you let me know your reasons for having charged to the vote for Fisheries Protection Service, an expenditure that apparently has no connection whatever with the object of the vote.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, January 8, 1904.

SIR,—Referring to your letter of the 12th ultimo, inquiring why travel and other expenses incurred by Mr. W. C. Gordon, in connection with the investigations into the stranding of the steamers *Iberian, Protector* and *Stord,* amounting to $501, was charged against the vote for Fisheries Protection Service, I have the honour to inform you that the investigations alluded to could not be delayed, as the officers and crews could not be detained without very heavy expenditure, and as the appropriation for investigations into wrecks was completely exhausted, the expenses mentioned were charged to Fisheries Protection funds, as there appeared to be an available balance at the time.

The action of the department could not be avoided in the interest of navigation and insurance.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, January 13, 1904.

SIR,—I have the honour to acknowledge the receipt of your letter of the 8th instant in explanation of your having charged to Fisheries Protection Service an expenditure incurred in connection with investigation into wrecks. I cannot regard your explanation as satisfactory. Parliament appropriates money for certain defined and specific purposes, and it is not within the power of the expending department to divert the money so voted to any other purpose. If the appropriation applicable to a certain expenditure deemed necessary in the general interests of the country has, at the time such expenditure is called for, become exhausted, then the department must obtain the necessary funds as the law directs, and not by making use of money specifically provided for a distinctly different purpose.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Re Steamboat Inspection : Refund to Hon. Mr. Farquharson.

DEPT. OF MARINE AND FISHERIES, OTTAWA, June 9, 1903.

SIR,—Application has been made to the department by the Hon. Mr. Farquharson, M.P., of Prince Edward Island, for a refund of steamboat inspection dues paid on the steamship *Coila* as far back as 1892 and 1889.

The *Coila* was registered in the United Kingdom, and in these years steamboat inspection laws were not enforced on steamships registered outside of Canada, and were only applicable to Canadian registered vessels. Under misconception the steamboat inspector collected dues for these two years, amounting in all to $68.

The department is satisfied that these amounts were illegally imposed upon the steamer, and considers that the amount should be refunded to Mr. Farquharson. I will be obliged to you if you will inform me whether, in your opinion, that the amount will have to be voted in Parliament, or, as the amount is so small, could you allow it to be paid out of the appropriations for the current year.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, June 9, 1903.

SIR,—In reply to your letter of the 9th instant respecting an application made to the department for a refund of steamboat inspection fees collected from Mr. Farquharson, of Prince Edward Island, on the steamer *Coila,* as far back as 1889 and 1892, I beg to request that you will cause to be sent me further particulars as to the collection of the fees in question :—

1. Under what sections of the Steamboat Act were the fees now asked to be refunded collected ?

2. By whom were they collected, and when deposited to the credit of the Receiver General ?

3. Under what sections of the Steamboat Inspection Act are fees now collected ?

Are there any other persons, as far as the department knows, who may have the same right to claim a refund of fees collected as Mr. Farquharson ?

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, June 15, 1903.

SIR,—In reply to your letter of the 9th instant, relative to the application of Mr. Farquharson for a refund of steamboat inspection dues, I beg to state for your information that in my letter of the 9th instant, I mentioned to you that the steamboat inspection fees for which Mr. Farquharson is seeking a refund were illegally collected, that is to say, there was no authority at that time to impose fees upon steamships registered outside of Canada. This is the ground on which Mr. Farquharson claims a refund.

In regard to your second question as to who collected the fees referred to, and when they were deposited to the credit of the Receiver General, I will have to make inquiry and inform you later on.

In regard to your third question, I have to state that the section under which fees are at present collected from Canadian steamships, is section 37 of the Act, that in regard to collecting fees from steamships not registered in Canada, the collections are made under an Order in Council based on the provisions of subsection 3 of section 3 of the Act.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, June 19, 1903.

SIR,—With further reference to your letter of the 9th instant, relative to the case of the steamer *Coila*, I have now to state that I am not aware of any cases similar to the case of this vessel, in regard to having paid steamboat inspection dues not required by law. I have also ascertained that one of the amounts, $34, was paid on December 24, 1889, to the Collector of Customs at Halifax, and that the other amount was paid to the Collector of Customs at Charlottetown on November 1, 1892, amounting to $34, in all, $68.

If you wish, I will write the Customs Department and ask them for the date on which these respective amounts were deposited to the credit of the Receiver General. I will await your answer before taking any further steps in the matter.

I may further state, for your information, that the authority under which we are at present collecting steamboat inspection fees from vessels registered outside of Canada, is an Order in Council dated the 30th day of May, 1893.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, June 30, 1903.

SIR,—Referring to previous correspondence in connection with the claim of Hon. Mr. Farquharson, M.P., of Prince Edward Island, for a refund of steamboat inspection dues paid in 1889 and 1892, I am of opinion that this amount should be voted in Parliament, the claim being so old.

It is desirable that certificates should be obtained from the Collectors of Customs at Halifax and Charlottetown, that the fees had been paid.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Re Steamboat Inspection : Abolition of Fees.

DEPT. OF MARINE AND FISHERIES, OTTAWA, Oct. 7, 1903.

SIR,—An Act passed by both Houses of Parliament this session and assented to on the 13th August last, abrogated the imposition of steamboat inspection fees and dues.

At the time the Bill became law a large proportion of the steamboat owners had paid their inspection fees, and the question is now under consideration as to whether the fees paid since the 1st January last should be refunded. I think it as well to consult with you as to how the refunds can be made with as little trouble to both departments as may be possible. Heretofore, in the case of a refund of sick mariners' dues it has been the practice of the department to require from the claimant the receipts which he received from the Collector of Customs at the time of the payment.

In the case, however, of steamboat inspection fees in question, this department has a complete record of the fees received; the names of the steamboats and the amount which each steamboat paid.

Under these circumstances, it appears to me that it might be considered unnecessary to require the production of the receipts held by the steamboat owners when we have already in the department complete evidence as to the payment of the fees.

There is another point on which I must wait for your recommendation, namely, whether it will be sufficient for this department to furnish you with a list of the refunds to be made, and having done so, will you issue the individual cheques or will you place a lump sum at the disposal of this department to issue the cheques in payment of the refunds.

I will be happy to hear from you in the matter as to what would best suit the convenience of both departments.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, October 9, 1903.

SIR,—I am in receipt of your letter of the 7th inst., in reference to the amendment to the Steamboat Inspection Act passed during the present session, and stating that the question is now under consideration as to whether the fees paid since the 1st January last should be refunded.

The Act was assented to August 13 last, and as there is no provision in it for the refund of fees paid since January 1st, no such refund can now be made. Any fee, abrogated by the Act, paid since August 13, should, of course, be refunded. If there are any such you might send an application to this office, giving details.

You will, of course, have noted that the amended Act only abrogates the inspection fee.

The annual tonnage duty fixed by the Governor in Council, not exceeding 10 cents for every gross ton, is retained.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, October 13, 1903.

SIR,—I have to acknowledge the receipt of your letter of the 9th instant, replying to mine of the 7th October, relative to refunding steamboat inspection fees which have been collected since the first of the present year.

With reference to your statement that, as there is no provision in the new Act for the refund of fees paid since last January no refund can now be made, I have to mention I was under the impression that, although no provision is made in the new Act for refunding the fees referred to, the fees could be refunded under the authority contained in the 78th section of the Audit Act, and I will be obliged to you if you will further communicate with me on that point.

With regard to your statement that the amended Act only abrogates the inspection fees, and that the annual tonnage duty on the tonnage of steamboats is still retained, I have to state that I do not quite understand how you arrive at the conclusion, namely, that the new Act does not abrogate all taxes imposed on steamboats by the old Act, and I will be pleased to hear further from you on that point also, as the section was designed to abrogate the tonnage duty and the inspection fees.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Re **Sault Ste. Marie Wharf.**

AUDIT OFFICE, OTTAWA, January 20, 1903.

SIR,—I have received your application of the 17th instant for a payment of $10.50 to Farwell & Douglas for fuel supplied the wharfinger at Sault Ste. Marie.

In February last you made application for a payment to A. Carney & Co. for coal supplied this wharfinger. I then wrote you that as no such expenditure is incurred by the Government at any other wharf, and it is a new departure at this wharf, I consider, if the department decide on paying it, that it should be authorized by Order in Council. I have not since heard from you in reference to this application.

The application now received, being of a similar nature, should also be authorized by Order in Council. If such an order be passed, it might be made to cover the accounts already incurred and like accounts in future.

I may add that the return and deposit from this wharfinger for November have not yet been received.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, January 23, 1903.

SIR,—In reply to your letter of the 20th instant, suggesting that the payment for coal for the Sault Ste. Marie wharf and other wharfs, if required, be authorized by Order in Council, I have to inform you that a report to Council will be made out in the line suggested, and these expenses will be paid out of the appropriation for repairs and maintenance of wharfs.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Re **Wharfs and Piers.**

AUDIT OFFICE, OTTAWA, October 12, 1903.

SIR,—Letters from the following wharfingers to your agent at Quebec, inclosing remittances, have been furnished to this office, but no returns : Baie St. Paul, Berthier, Cap à l'aigle, St. Irenée and Tadousac.

The collections at these wharfs, as reported, seem to be all from the Richelieu and Ontario Navigation Company. Are there no other receipts ?

I understand an agreement has been made with the Richelieu and Ontario Navigation Company. If so, I would like to be furnished with a copy.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, October 14, 1903.

SIR,—I have to acknowledge receipt of your letter of the 12th instant, stating that you have not been furnished with returns from the wharfingers at Baie St. Paul, Berthier, Cap à l'Aigle, St. Irenée and Tadousac.

You are correct in stating that the department has entered into an agreement with the Richelieu and Ontario Navigation Company to pay a bulk sum for wharfage to the Government. Copy of the agreement will be sent you.

So far as the department is aware, there are very few vessels or steamers calling at the wharfs mentioned in your letter, with the exception of the Richelieu and Ontario Navigation Company's steamers.

The agent of this department was instructed to procure the returns from the wharfingers, so that they might be sent you, but it appears that he has had some difficulty in getting anything further than letters.

The reason for making an agreement with the Richelieu and Ontario Navigation Company, to pay a bulk sum for wharfage, was due to the fact that many of the wharfingers between Quebec and Chicoutimi, on the Saguenay river and the places mentioned in your letter, are agents for the steamboat company, and it was considered in the public interest to make this agreement.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, October 12, 1903.

SIR,—The following wharfingers should make remittances from time to time during the season instead of depositing the whole receipts in one amount several months after the season is closed :—

	Net Receipts.
Hilton, Ont.	$269 50
Matane, P.Q.	94 34
Brush Wharf, P.E.I.	106 02
Hurd's Point, P.E.I.	51 33

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, October 23, 1903.

SIR,—In reply to your letter of the 12th instant, calling the attention of the department to the fact that the wharfinger at Hilton, Ont., Matane, P.Q., Brush Wharf, P.E.I., and Hurd's Point, P.E.I., instead of remitting from time to time, remitted one amount several months after the season has closed, I have to inform you

that letters have been written a number of times to wharfingers on this subject, and the department finally had to intimate dismissal in some cases if the requirements were not complied with.

I have, however, to inform you that there are some localities, like the two in Prince Edward Island, mentioned in this letter, where the wharfage is only paid at the end of the season by merchants who ship produce from the wharfs, and the wharfingers have very little wharfage to account for until the produce is shipped.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, October 12, 1903.

SIR,—The usual practice is to allow wharfingers a commission on their collections, usually 25 per cent. The wharfinger at Carleton, P.Q., was, it seems, allowed $50 in lieu of commission. During the fiscal year 1902-3 the total collections only amounted to $46 11, and your agent at Quebec paid him the balance of $3.89 to make up $50 out of receipts sent him by other wharfingers.

Harbour masters are allowed fixed amounts instead of commissions. In the greater number of cases the allowance is greater than the collections, but in no case is the difference made up.

I have to ask you on what authority the payment was made to the wharfinger at Carleton.

In any case, your agent should not have made it. If it is the policy of the department that wharfingers with a fixed amount allowed for their services shall be paid that amount, even though their receipts do not amount to the allowance, then the payment should be made by the department, either through its letter of credit or by direct application.

I shall be glad to hear from you on this matter.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, November 18, 1903.

SIR,—I have to acknowledge receipt of your letter of the 12th ultimo, relating to the payment of $3.89 to make up the salary of the wharfinger at Carleton, P.Q. I have to inform you that the agent made the payment without instructions from this department, and I am aware that he should not have paid it out of the receipts sent him by other wharfingers. The department was not consulted in the matter, but instructions will be given Mr. Gregory not to repeat his action in future.

I am, sir, your obedient servant,

The Auditor General. WM L. MAGEE, *for D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, October 12, 1903.

SIR,—During the last fiscal year returns have reached this office from the wharfinger at Gardner's Creek, N.B., covering collections as follows :—

Collections for season, 1901	$ 61 12
" " 1902	62 39
	$123 51
LESS—Commission, 25 per cent, allowed wharfinger	30 87
Balance for deposit	$ 92 64

The Marine Agent at St. John deposited $58.30 of the above amount in the Bank of Montreal on May 6, 1903. I shall be glad to know if the balance—$34.34—has since come to account, and, if not, what action has been taken in the matter. The wharfinger should be instructed to send in his returns more promptly.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Re **Wharfs and Piers : St. Zotique Wharf.**

AUDIT OFFICE, OTTAWA, October 9, 1903.

SIR,—The revenue from the wharf at St. Zotique was $34 in 1897-8 and $36.25 in 1898-9. Nothing has since come to account from this wharf.

I have been handed a memo. of payments made to J. M. Leroux, the wharfinger at St. Zotique, of which the following is a copy :—

December 31, 1897	$20 00	1897
January 5, 1899	40 75	1898
December 31, 1899	34 00	1899
June 8, 1900	9 00	1900
July 11, 1900	10 70	
September 14, 1900	23 40	

I may add that the wharfinger's receipts for four of the above payments have been also furnished, and his letters asking for the other two items. I have no doubt from the above and the information given me that he received the whole of the above payments.

You will no doubt have this matter looked into at once.

It is very likely that there are other payments.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, January 11, 1904.

SIR,—I am without any reply to my letter of October 9 last, calling your attention to the absence of any revenue from the wharf at St. Zotique for years past; and giving you a memo. of certain payments that I had evidence were paid to the wharfinger.

I shall be glad to know what action you have taken in respect thereto and with what result.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, January 22, 1904.

SIR,—I have the honour to acknowledge receipt of your letter of the 11th instant, with further reference to the revenue of St. Zotique wharf; and in reply, I am to inform you that the agent of the department at Quebec was requested to obtain from Mr. Leroux all books and accounts relating to the wharf at that place, and forward them immediately to the department for examination. The agent has reported that the revenue from the wharf at St. Zotique was $34 in 1897-98 and $36.25 in 1898-99, and that nothing has since come to account. The wharfinger has not yet forwarded his books and accounts, and the department will take steps to send an officer to have the matter fully inquired into.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Re Dominion Steamers: Revenue.

AUDIT OFFICE, OTTAWA, October 24, 1903.

SIR,—The inclosed account of M. C. McDonald, purser of steamer *Minto* for travelling expenses, has been deducted by him from the receipts on account of Dominion steamers.

As you are aware, the Audit Act, section 27, expressly declares that the gross revenue shall be deposited. Any proper charge against a revenue account, such as a refund, should be made through the department. This account, if approved, is properly chargeable to Expenditure.

I have to ask that this officer should be instructed accordingly; and also that the officer of your department who examines these returns should note such irregularities and take such action as the case calls for.

In the meantime, I have to ask you that you send an application, with this account attached, for a transfer from the debit of Dominion Steamers Revenue to Expenditure.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Note.—This charge was transferred to the debit of vote for maintenance of Dominion steamers.

Re Sale of SS. 'Bayfield.'

AUDIT OFFICE, OTTAWA, April 3, 1903.

SIR,—Your revenue return for March contains an entry of the sale of the SS. *Bayfield* to John Harrison & Sons, Ltd., Owen Sound, for $3,250.

No vouchers nor information in connection with this sale are furnished.

Please let me know the authority for the sale; if it was advertised, and, if so, in what papers; if it was by auction or by tender; and any other particulars pertinent thereto.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, May 22, 1903.

SIR,—Referring to your letter of the 3rd of April last, in which you ask particulars about the sale of the Dominion steamer *Bayfield* to John Harrison & Sons for $3,250, I have to inform you that the sale has been confirmed by Order in Council. The particulars relating to the sale of the steamer are as follows: Messrs. Harrison made the department an offer to purchase the steamer upon the condition of immediate acceptance. The *Bayfield* had become unfit for the use of the department, being over 35 years old, and her machinery unsuitable for survey work. An estimate of the cost of furnishing new engine and boilers was made and found to amount to a larger sum than the steamer would be worth if the new machinery was put in. There was no time to invite tenders, as Messrs. Harrison & Sons had made their offer for immediate acceptance to enable them, if they purchased the boat, to get her ready upon the opening of navigation. The Order in Council fully explains the further particulars which you may require.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, June 3, 1903.

SIR,—The Order in Council approving of the sale of the steamer *Bayfield* to John

Harrison & Sons Co., for $3,250, states that the officer in charge of the steamer considered the offer a favourable one, and recommended the sale of the steamer.

I have to ask for the report of the officer in charge above referred to.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA June 6, 1903.

SIR,—In reply to your letter of the 3rd instant, requesting the report of the officer who was in charge of the old steamer *Bayfield,* I herewith inclose the report made on the 17th of February last to myself, and also the recommendation of Mr. Stewart on the 12th of March last.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. F.*

AUDIT OFFICE, OTTAWA, June 10, 1903.

SIR,—I have received your letter of the 6th instant, inclosing a report of Wm. J. Stewart of your department, dated February 17, 1903, in which he values the steamer *Bayfield* at $7,000. With that letter is inclosed also the offer of $3,250 by John Harrison & Sons Co. for the vessel, dated March 12, and on this letter is a note signed by Wm. J. Stewart recommending the acceptance of the offer. No explanation is furnished why Mr. Stewart valued the vessel at $7,000 on February 17 and recommended her sale in March for $3,250.

Was the vessel valued by any other officer or builder—the captain in charge, for instance ?

Was there any reason to fear that the country might have suffered by calling for tenders in this case ?

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

OTTAWA, February 17, 1903.

SIR,—In reply to yours of the 12th instant asking for a report as to the advisability of disposing of the steamer *Bayfield,* I have the honour to report that, although small, she might, after an expenditure of about $2,000, be utilized for lighthouse and buoy service, by taking on supplies at various points and distributing to the nearest light stations.

The positions of the various buoys she could inspect from time to time after being placed by the present contractors. This service would probably cost about $12,000 per annum.

The steamer is, however, not very strong either in hull or machinery, is very slow, and no doubt small for the purpose. She was built in 1863, purchased by the department in 1884 for $15,000. Since then about $6,000 has been spent upon her hull and about $1,000 on her engine and boiler.

To-day, I think she is worth about $7,000.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. WM. J. STEWART.

OWEN SOUND, ONT., March 13, 1903.

The Honourable R. PRÉFONTAINE,
Minister of Marine,
Marine Department,
Ottawa, Ont.

HONOURABLE SIR,—With further reference to the purchase of the steamer *Bayfield*, would say, we have decided that for immediate acceptance we will pay the sum of $3,250 cash for the *Bayfield* and outfit belonging to the steamer. In outfit we would include such articles as were used for the accommodation of the crew and in the sailing of the vessel, but not anything which would be considered as belonging to the surveying operations, and we are willing that you should appoint any person whom you might see fit to decide what shall be considered a part of the vessel's outfit and what should not, and herewith bind ourselves to abide by this agreement. As in the event of your not accepting this offer we must make other arrangements, we ask that you give this your early consideration.

Thanking you for your kind attention to this.

We remain, respectfully yours,

JOHN HARRISON & SONS CO. (Limited),
J. HARRISON, *President.*

I recommend that this offer be accepted, except that I am to keep the articles of gear and furniture that I can make use of, one compass to go with the vessel.

WM. J. STEWART.

AUDIT OFFICE, OTTAWA, January 11, 1904.

SIR,—Referring to previous correspondence in connection with the sale of the steamer *Bayfield*, I have to remind you that I have had no reply to my letter of June 10 last.

I am about sending to the printers the part of the Audit Report covering the transactions of your department, and as this correspondence will be published, any reply you may favour me with will be included, if received in time.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, January 23, 1904.

SIR,—I beg to acknowledge the receipt of your letter of the 18th instant, enclosing, in response to my request, copy of your letter of June 10 last, with reference to the sale of the 'Bayfield,' and to which no reply was sent you, owing to the original never having reached me.

I now forward a copy of a report dated 22nd instant from Mr. W. J. Stewart, explaining the circumstances connected with his placing a value of $7,000 on the 'Bayfield' in February, 1903, and his recommending her sale in March following for $3,250.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

(COPY.)

OTTAWA, January 22, 1904.

SIR,—The circumstances in connection with my letter of February 17, 1903, placing a value of $7,000 upon the old steamer 'Bayfield' are as follows:—

On February 9, Messrs. John Harrison & Sons Co., Limited, wrote enquiring if the department wished to sell the old boat. On the 12th you requested me to report as to the advisability of disposing of the boat and as to her value.

I could not recommend holding on to her, and I had no large idea of her value, but believed in asking a good price for her. I telegraphed Captain MacGregor and Mr. Nisbet, the engineer, for valuations. The former answered: '$7,000; can get $5,000 cash for her here' (in Goderich). Mr. Nisbet valued her at $4,000 (telegram and letter attached). I therefore recommended the larger sum, as a basis upon which to open negotiations, but I never expected to realize anything like it.

When Mr. Harrison was induced to enlarge his first offer to $3,250 I asked and was given leave to telegraph Captain MacGregor and a couple of other parties, who, I thought, might wish to purchase. The captain replied that the parties he had in view were closing a deal for a smaller boat. No answers were received to the other telegrams.

As the demand for boats of the 'Bayfield's' age was not brisk, the opening of navigation was close at hand, and if the boat was left tied up she would, at her age, rapidly deteriorate and would require a caretaker, I thought it in the best interests of the department to accept what was offered by a responsible firm.

I am, sir, your obedient servant,

The Deputy Minister Marine and Fisheries. (Sgd.) W. J. STEWART.

Re Sick Mariners' Fund.

DEPT. OF MARINE AND FISHERIES, OTTAWA, February 12, 1903.

SIR,—I have the honour to state that an application has been made by Messrs. Wm. Thomson & Company, of St. John, N.B., for a refund of $15.22, paid by their SS. *Unison,* at the port of St. John, N.B., on the 16th day of December last, in error, on account of Sick Mariners' dues. The facts of the case appear to be as follows :—

The SS. *Unison* arrived at the port of Sydney, C.B., on or about the 9th of December last, anchored at that port, discharged her cargo, and consequently had Sick Mariners' dues collected from her. She then continued her voyage to St. John, N.B., in ballast, for the purpose of taking in a return cargo, and the Collector of Customs at that port, overlooking the fact that her arrival at the port of St. John was only the completion of her voyage, imposed the Sick Mariners' tax the second time, and collected it on the 16th of December last.

As the action of the Collector at the port of St. John was illegal, the owners of the vessel have applied for a refund, as the law only requires a vessel to pay the tax once on a voyage.

You will find the amount collected at the port of Sydney, C.B., on the 18th of December last, deposit receipt No. 708, from the Royal Bank of Canada, sent you in the Minor Revenue Statement of this department, No. 10, December 29, 1902.

You will find the amount collected at St. John, N.B., on the 16th day of December last, deposit receipt No. 317, dated 31st December, 1902, from the Bank of Montreal, Minor Revenue Statement of this department No. 11, dated 5th of February, 1903.

Will you kindly send me a cheque for the amount collected at St. John, N. B., namely, $15.22 ?

I inclose you the two receipts, dated St. John and Sydney respectively, which kindly return for the use of the ship.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE OTAWA, March 2, 1903.

SIR,—I have your application for a refund of $15.22 to Wm. Thomson & Co., being Mariners' dues on SS. *Unison*, paid at St. John on December 16, 1902, having paid dues at Sydney on December 9.

You state that this vessel discharged her cargo at Sydney and continued her voyage to St. John in ballast for the purpose of taking in a return cargo, and as this was only the completion of her voyage she should not have been required to pay at St. John.

In the case of the SS. *Montauk* you ruled that this vessel, having arrived at Montreal, discharged her freight, taken on a cargo and cleared on her westward voyage, became liable for a second payment of Mariners' dues.

Would this ruling not apply to the case now in question ?

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA March 4, 1903.

SIR,—Referring to my letter of the 12th ultimo, requesting that a refund of $15.22 be made to Messrs. Wm. Thomson & Company, of St. John, N.B., for Sick Mariners' funds illegally collected by the Collector of Customs at the port of St. John on the 16th day of December from the SS. *Unison*, on account of Sick Mariners' dues, I have now to acknowledge receipt of your letter of the 2nd instant, asking me whether the ruling of the department in the case of the SS. *Montauk* would not apply to the case in question.

I have to inform you that the ruling of the SS. *Montauk* will not apply, as the two cases are not similar. The case of the *Unison*, the vessel paid twice on the one voyage; the case of the SS. *Montauk*, the fees, it is true, were collected twice, but on two different voyages.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Re Lease of Foreshore, Rock Bay, B.C.

AUDIT OFFICE, OTTAWA, April 3, 1903.

SIR,—Your March revenue return contains an entry of $150 for six years' rent of the foreshore, Rock Bay, Victoria, B.C., to May, 1903, G. B. Ordano, lessee.

Please explain why the collection of the rent was delayed so long. Does the lease expire in May, 1903, and if so, has it been renewed, and at what rent ?

I am, sir, your obedient servant,

The Deputy Minister, Marine anad Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, April 21, 1903.

SIR,—Referring to your letter of the 3rd instant, inquiring in regard to the lease of foreshore, Rock Bay, B.C., I have the honour to inform you that the matter to which you allude was transferred to this department by the Department of the Interior in 1896, and that according to the file sent, there was due at that time rent from 1891 ; that on the 10th February, 1898, six years' rent was collected, $150, and again in March, 1903, the same amount was received.

I have also to state that for the future this rent will be collected yearly until the expiration of the lease.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Re **Modus Vivendi.**

AUDIT OFFICE, June 11, 1903.

SIR,—I have your application for a refund of $132 to Solomon Jacobs, master of the United States fishing vessel *Alice M. Jacobs,* the fee having been collected in error, the vessel being a steam fishing vessel.

The Act 55-56 Vict., chap. 3, authorizing the issuance of licenses to United States vessels, does not specify that licenses shall not be issued to steam vessels.

Is there any Act of a later date in reference thereto ?

I am returning the deposit receipt which was attached to your letter.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, June 12, 1903.

SIR,—I have your letter pointing out that the Act 55-56 Victoria, chapter 3, authorizing the issue of licenses to United States vessels, does not specify that licenses shall not issue to steam vessels.

I may say that the department does not issue licenses to United States vessels generally, but to 'United States fishing vessels.' It is true the Act does not specifically exclude steamers; but it has been the strict policy of this department to refuse to recognize this class of vessels as being contemplated as fishing vessels under the convention of 1818, under the provisions of which these special licenses are being issued as a matter of grace to these vessels, and I may add that it is the intention of the government to continue to so construe that treaty.

Apart entirely from the question of policy, there is nothing to compel the issue of a license where it is deemed advisable to withhold it, and many United States fishing vessels which would otherwise be eligible to licenses, are debarred by being 'black-listed' for offences and persistent attempts to defeat the Canadian laws and regulations.

In the present instance, Captain Jacobs is an old offender, to whom no concessions whatever would be granted, and he succeeded, after three refusals, in securing this license from a Collector at an out-of-the-way port, through entire want of *bona fides,* and the license has been formally cancelled by the Minister, which necessitates the return of the fee.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, August 13, 1903.

SIR,—The fees collected for licenses issued in 1901-2 on acount of the Modus Vivendi amounted to $11,079.65; in 1902-3 they amounted to only $8,824.50.

Is there any special reason for this large reduction ?

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, August 15, 1903.

SIR,—In reply to your letter of the 13th instant, inquiring whether there is any special reason for the reduction in the revenue collected on account of licenses to United States fishing vessels in 1902-3 as compared with 1901-2, I may say that this deparatment is unaware of any special reason therefor, except that fewer United States fishing vessels availed themselves of the privileges in 1902-3 than in 1901-2.

I am, sir, your obedient servant,

The Auditor General. WM. L. MAGEE, *for D. M. of M. & F.*
